New for 2015, with exclusive interior and exterior styling. Performance upgrades include sport-tuned Adaptive Variable Suspension and Variable Gear-Ratio Steering with available Dynamic Rear Steering.

DRIVE AGAINST THE GRAIN.
INTRODUCING THE 2015 LEXUS GS
“WITH SHARP HANDLING AND STEERING, THE LATEST GS IS EVERY BIT AS CAPABLE AS RIVAL GERMAN-BRAND LUXURY SPORT SEDANS ON A WINDING ROAD.”

— Edmunds.com, December 2013
Inside the GS F SPORT, a 16-way power-adjustable sport driver’s seat with power side bolsters, four-way lumbar and added thigh support hugs your body the way the vehicle hugs curves. It’s an intense connection, made even stronger with the F SPORT-branded steering wheel and shift knob trimmed in perforated leather, and aluminum sport pedals.
The GS is, above all else, a performance vehicle. And the GS Hybrid is most certainly not the exception to that rule. Boasting 338 total system horsepower, an Adaptive Variable Suspension and the efficiency of a hybrid, it offers an impressive 34-mpg highway rating and rockets from 0 to 60 in a mere 5.6 seconds. In addition to exclusive styling, the new GS F SPORT adds Variable Gear-Ratio Steering and available Lexus Dynamic Handling with Dynamic Rear Steering, ensuring that performance remains a top priority.
Lexus engineers traveled the equivalent of 26 times around the Earth—from the ice-covered streets of Moscow to the extreme heat of Death Valley—all to develop the precise driving feel and responsiveness of the GS, no matter the conditions. Strap yourself in and carve through that first turn, and you’ll quickly discover it was worth every inch.

OUR TEST TRACK WAS A MILLION MILES LONG.
While the exterior styling screams performance, the interior beckons with comfort and innovation. Seductive ambient lighting envelops you, while an available Climate Concierge system caters to individualized comfort, with everything from atmospheric air control to available heated and ventilated front seats. And on the GS equipped with Luxury Package, the 18-way power front seats are nothing short of an ergonomic masterpiece.
INTERIOR DESIGN
Offering an assortment of design options, your GS can be as individual as it is invigorating. Choose between multiple leather trim options, from a timeless Black to a bold Cabernet. Four types of decorative accents from Linear Espresso wood to Striated Aluminum. And on the GS, exclusive Matte Bamboo trim graces the interior.

EXCEPTIONAL HANDLING
Drive Mode Select’s Sport S mode alters the powertrain for faster gear changes and more dynamic throttle response. The available Sport S+ mode also tightens the suspension and increases steering response. In ECO mode, the throttle response and engine power output are moderated for increased fuel efficiency. And in EV mode, the GS Hybrid can be driven for short distances at low speeds on battery power alone.

MORE FROM LEXUS
LENOVO
The new available Lexus Enform Remote® mobile app can remotely start the engine, lock and unlock doors, check the state of doors and windows as well as your fuel level, and can help find your vehicle’s location in a parking lot. And, should you loan your GS to another driver, you can receive instant alerts if, for example, a preset speed or mile limit is exceeded. Lexus Enform Remote is complimentary for the first year of ownership. Learn more at lexus.com/enform.

ADVANCED CONNECTIVITY
LEXUS ENFORM REMOTE
The innovative Siri® Eyes Free® connects with your compatible iPhone® enabling you to access e-mail, send text messages and more. In addition, to help you make the most of your travel, our industry-first subscription-free traffic and weather service offers real-time updates of changing conditions via HD Radio®. Learn more at lexus.com/enform.

MULTI-DIMENSIONAL AUDIO
Imagine a system so advanced it surrounds you with three-dimensional sound while accounting for the volume and tone of unwanted ambient noise. This is the available 835-watt, 17-speaker Mark Levinson® Premium Surround Sound Audio System. An audio experience that more closely resembles a concert hall than an automobile, immersing the cabin in sound quality that was once reserved for six-figure home-audio systems.

INNOVATIVE TECHNOLOGY
To help keep you more aware of what’s around you, the available full-color Heads-up Display can project key information onto the windshield. Simple navigation directions, audio information, vehicle speed, current gear and tachometer are within your natural line of sight. An available Blind Spot Monitor warns you of vehicles that are approaching or positioned in adjacent lanes. And, with cruise control on, available Lane Keep Assist is designed to steer the vehicle back toward the center of the lane if you begin to veer.

VARIABLE DRIVING MODES
Drive Mode Select’s Sport S mode alters the powertrain for faster gear changes and more dynamic throttle response. The available Sport S+ mode also tightens the suspension and increases steering response. In ECO mode, the throttle response and engine power output are moderated for increased fuel efficiency. And in EV mode, the GS Hybrid can be driven for short distances at low speeds on battery power alone.

REAR SEAT CONTROLS AND REAR SUNSHADE
Innovation hasn’t been limited to the driver. Available rear-seat controls offer passengers the convenience of operating the audio system, rear-seat climate zone and heated outboard seats. Additionally, to help reduce unwanted glare, the GS offers manual rear side-window sunshades and a power rear sunshade that can be operated at the push of a button.

LEXUS ENFORM REMOTE
The new available Lexus Enform Remote® mobile app can remotely start the engine, lock and unlock doors, check the state of doors and windows as well as your fuel level, and can help find your vehicle’s location in a parking lot. With more standard horsepower than its German competitors and an eight-speed automatic transmission with paddle shifters (RWD), the GS takes driver engagement to new heights.
A. Black leather interior with Matte Bamboo trim
B. Available Mark Levinson Premium Surround Sound Audio System™
C. 3.5-in color TFT multi-information display and electro-luminescent instrumentation
D. GS F SPORT Drive Mode Select
E. Ambient lighting
F. GS F SPORT race-inspired aluminum pedals

G. Available power rear sunshade
H. Remote Touch2 controller
I. Available rear seat climate and audio controls
J. Contrast stitching
K. Available color Heads-up Display
L. Available rear spoiler. For a complete list of Genuine Lexus Accessories, visit lexus.com/GS/accessories

Options shown.
By monitoring current driving conditions, available all-wheel drive automatically allocates engine power between the front and rear wheels from a rear-biased 30/70 (front/rear) torque split to 50/50, depending on conditions. This can provide enhanced traction and control on a wide range of road surfaces and in inclement weather.
**KEY STANDARD FEATURES**

**PACKAGES**

**GS PREMIUM PACKAGE** (Standard on GS 450h)
- Rain-sensing wipers // Heated and ventilated front seats // Power rear sunshade // Climate Concierge

**LUXURY PACKAGE** (Available on GS 350)

**NAVIGATION PACKAGE** (Standard on GS 350)
- Navigation System // 12.3-inch high-resolution split-screen multimedia display // Compatible mobile-phone integration // Enhanced Bluetooth® technology // Lexus Enform Destinations. Subscription required. One-year trial subscription included // Subscription-free Lexus Enform App Suite™ with Bing®, iHeartRadio, MovieTickets.com, OpenTable, Pandora®, Yelp® and Facebook Places

**COLD WEATHER PACKAGE** (Standard on GS 450h)
- Heated steering wheel // High-intensity interior lighting // Headlamp washers (GS 350 RWD: standard on AWS: not available on GS 450h) // Windshield wiper deicer // Water-repellent front-door glass // LED headlamps (GS 350T)

**GS 350/GS 450h F SPORT**
- Includes all GS Premium Package equipment // Drive Mode Select adds Sport S+ mode // 19-inch split-spoke-alloy wheels® with Dark Graphite finish // F SPORT-tuned Adaptive Variable Suspension (AVS) // Variable Gear-Ratio Steering (VGRS) (RWD only) // 14.0-in., two-piece front-brake rotors with monoblock four-piston calipers (AWD only) // 16-way F SPORT driver’s seat // Stratus Alumina interior trim // Black headliner // F SPORT exterior styling including unique front bumper, upper and lower grille inserts, rear-valance and rear spoiler

**INDIVIDUAL OPTIONS**

- Power trunk open/close // Mark Levinson® Premium Audio System® // Pre-Collision System (PCS)® with Driver Attention Monitor® Dynamic Radar Cruise Control® // Lane Keep Assist® with Lane Departure Warning® // Blind Spot Monitor® with Rear Cross-Traffic Alert® and power-folding outside mirrors // Color Heads-up Display // Intuitive Parking Assist® // Lexus Dynamic Handling with Dynamic Rear Steering (GS F SPORT RWD: reserved on GS F SPORT) // Heated rear seats (Luxury Package)

**WHEELS**

**GS 350/GS 450h F SPORT**

SERVICES AS INNOVATIVE AS THE GS ITSELF.

THE LEXUS DELIVERY AND TECHNOLOGY SPECIALISTS. To assist you in getting the most out of your GS, the Lexus Delivery Specialist will conduct a personalized delivery focused on every feature, setting and function you desire. To answer questions that arise after delivery, the Lexus Technology Specialist can offer expert guidance in person or without you ever leaving the driveway, via camera-enabled iPad® apps like FaceTime®.

Learn more about our Lexus Delivery and Technology Specialist services at lexus.com/specialists.

WARRANTY
Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the GS Warranty and Services Guide at your Lexus dealer for details. DISCLOSURES 1. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher if premium fuel is not used, performance will decrease. 2. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. 3. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather may limit effectiveness and view may become cloudy. 4. 2015 GS 450h EPA 29/34/31 city/hwy/combined mpg ratings. Actual mileage will vary. 5. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in electric-only mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. EV mode works under certain conditions at low speeds for up to a mile. See Owner’s Manual. 6. Tire life may be substantially less than 15,000 miles, depending upon driving conditions. 7. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. 8. A variety of subscription terms available; charges will vary. See lexus.com for details. 9. Agreements required. A variety of subscription terms available; charges will vary. See lexus.com for details. 10. Use only if aware of circumstances surrounding the vehicle, and it is legal & safe to do so (e.g., car uncovered in open area, no people or pets in or nearby). If vehicle has not been driven for over a week, services will not be available. 11. Always drive safely, obey traffic laws & focus on the road while driving. Siri® is available in Beta only on iPhone® 4S, iPhone® 5, iPad® with Retina® display, iPad® mini, & iPod® touch, 5th gen. & requires Internet access. Siri® is not available in all languages or all areas & features vary by area. Data charges may apply. See Apple.com & phone carrier for details. 12. Phone® and Pad® are registered trademarks of Apple Inc. All rights reserved. 13. HD Radio® Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio® and the HD, HD Radio, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp. 14. Mark Levinson® is a registered trademark of Harman International Industries, Inc. 15. Based on data from Audi A6 2.0T with 19-in Sport Package, BMW 5 Series 535i with M Sport Package & Mercedes-Benz E-Class E350 with Sport Styling Package manufacturers’ websites. 16. The Smart Access system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 17. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle’s immobilizer. Because the transponder chip is embodied in the key/fob, it can be lost or stolen. If you lose a key or fob, your Lexus dealer can help. 18. iTunes® and iPod® are registered trademarks of Apple Inc. All rights reserved. 19. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth® enabled phone must first be paired. Phone performance depends on software, coverage & carrier. 20. Contact with the response center may not be available in all areas. Service Agreements required. 21. The Pre-Collision Systems is designed to help reduce the crash speed and damage in certain frontal collisions only. The included Driver Attention Monitor is designed to help you spot potential hazards detected ahead and the driver’s attention appears to be turned away. They are not collision-avoidance systems and are not substitutes for safe and attentive driving. System effectiveness depends on many factors. 22. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. See Owner’s Manual for details. 23. Lane Departure Warning is designed to read lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. 24. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. 25. Do not rely exclusively on the Intuitive Parking Assist system. Always look over your shoulder and use your mirrors to confirm rear clearance. System effectiveness depends on many factors. See Owner’s Manual for details. 26. The Adaptive Front Lighting System helps improve vision at night. Situations such as dirty windshield, rapidly changing light conditions or hilly terrain will limit effectiveness, requiring the driver to manually turn off. See Owner’s Manual for details. 27. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. App services subject to change. See lexus.com for details. 28. PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. 29. 2015 EPA-estimated ratings. Actual mileage will vary. 30. FaceTime® is a registered trademark of Apple Inc. All rights reserved.
