

# Lexus Personalized Settings

Your vehicle includes a variety of electronic features that can be programmed to your preferences. Programming of these features is performed once at no charge by your Lexus Dealer provided you obtain the service at the 6 month/5,000-mile scheduled maintenance service.

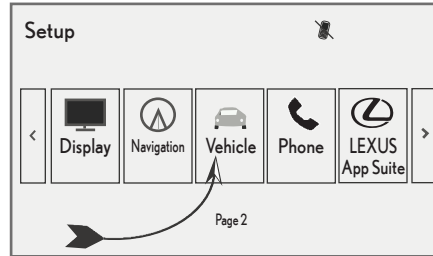

It is also possible to customize certain vehicle features yourself using the navigation system.

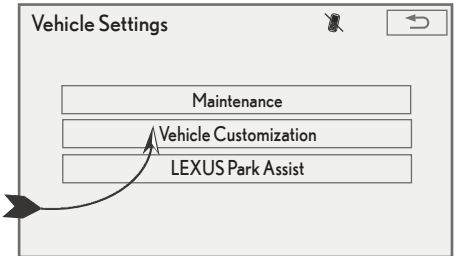

## Vehicles with Navigation system:

**STEP 1** Press the **SETUP** panel button followed by the arrow (>).

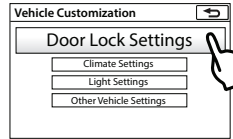

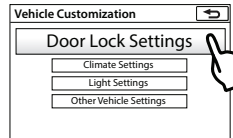

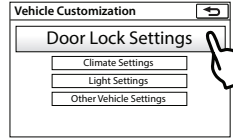

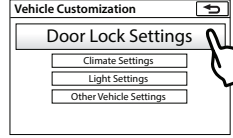

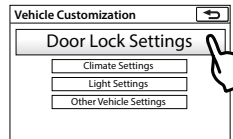

**STEP 2** Touch .

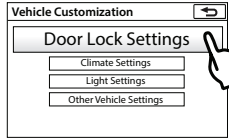

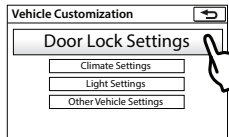

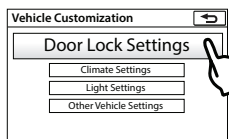

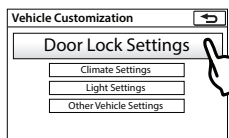

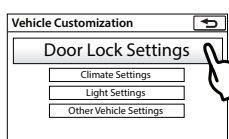

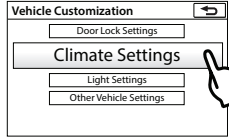

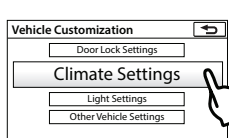

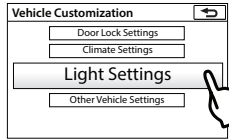

**STEP 3** Touch  then the desired category. Scroll to specific customization setting.

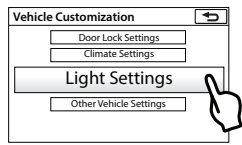

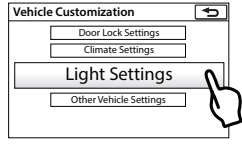

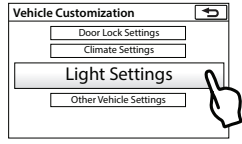

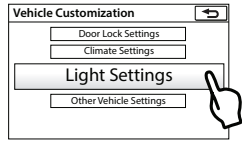

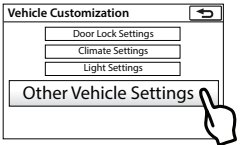

Vehicle must be in "ON" mode to program personalized settings.
