

Lexus Personalized Settings

Your vehicle includes a variety of electronic features that can be programmed to your preferences. The programming of these features is performed once at no charge by your Lexus Dealer provided you obtain the service at the 6 month/5,000-mile scheduled maintenance service.

It is also possible to customize certain vehicle features yourself using the navigation system.

Vehicles with Display Audio:

STEP 1 Press the **MENU** button.

STEP 2 Scroll to **Setup** by turning the controller. Push to select.

STEP 3 Scroll to **Vehicle** and push controller to select.

STEP 4 Push controller to select **Vehicle Customization**.

STEP 5 Select category and scroll to specific customization setting.

Vehicle must be in "On" mode to program personalized settings.

Please refer to the 2017 RC 200t/300/350 Quick Guide or Owner's Manual for more information on Display Audio operations.

Settings that can be customized by:

	Using the Display Audio system	Dealer
