- Licensed Medical Doctor Validation on Physician's Letterhead (when required)

Lexus does not assume responsibility for the quality, safety or efficiency of adaptive equipment or installation, and cannot guarantee that such modifications comply with applicable government safety standards.

Keep a copy of all documents for your file and mail copies of receipts with this application to:

**Lexus Customer Satisfaction, Mail Drop L201
19001 South Western Avenue, Torrance, CA 90501**

* Reimbursement will not be made in cases where the equipment and/or installation is being paid for or reimbursed by another source.

Lexus reserves the right to modify or terminate this program without notice.

Assistance Program

Supports the mobility needs of Lexus owners and/or family members with physical disabilities.

PROGRAM ELEMENTS INCLUDE:

Lexus Mobility Assistance

Provides cash reimbursement of up to \$1,000 of the cost to the vehicle owner for aftermarket adaptive equipment, for drivers and/or passengers, when installed on any eligible purchased or leased* new Lexus vehicle. Refer to attached guidelines and reimbursement application form for detailed requirements.

Comprehensive Mobility Resource Information

Available at www.lexus.com/mobility. Includes lists of mobility equipment dealers and installers, listed by state.

Lexus Financial Services[†] Mobility Financing

Available upon credit approval, through Lexus Financial Services and participating Lexus dealers. Provides flexible, extended-term financing for persons with physical disabilities or their families, for purchasing a new Lexus vehicle with the installed adaptive equipment (including installation costs). Please contact your local participating Lexus dealer for details.

A PROVEN PROCESS FOR GAINING FREEDOM ON THE ROAD

Lexus supports the U.S. Department of Transportation's recommended process, which is detailed in the brochure "Adapting Motor Vehicles for People with Disabilities." Copies are available by calling (888) 327-4236 or at www.nhtsa.dot.gov. The process includes these steps:

1. Determine your state's driver's license requirements

Contact a mobility equipment dealer in your area to identify the adaptive equipment most suited to your needs.

2. Evaluate your needs

Consult with your evaluator, an adaptive equipment installer and your local Lexus dealer to determine the best Lexus model to meet your needs.

3. Choose a qualified mobility equipment installer

Shop around and ask about qualifications, capabilities, experience, warranty coverage and service. Confirm they are members of the National Mobility Equipment Dealers Association (NMEDA) or another organization that has established vehicle conversion standards.

4. Obtain training on the use of the new equipment

When this process is complete, follow the guidelines and complete and submit the attached application for assistance to recover up to \$1,000 of the cost of your adaptive equipment and/or conversion.

* Subject to advance written lessor approval.

Note: Not all leasing companies will approve the installation of adaptive equipment, so be sure to check and obtain written approval first.

[†] Lexus Financial Services is a service mark used by Toyota Motor Credit Corporation.

LEXUS MOBILITY Assistance Program

GUIDELINES

Lexus will provide a reimbursement of up to \$1,000 to each eligible, original retail customer, for the exact cost they paid to purchase and/or install qualifying adaptive driving or passenger equipment for transporting persons with physical disabilities.* This offer applies to all purchased or leased **new** 2001 and later Lexus vehicles. **Leased vehicles require advance written lessor approval of adaptive equipment installations.****

-  Only new vehicles sold or leased and delivered to a retail customer by an authorized Lexus dealer are eligible for reimbursement under this program. Fleet incentive recipients are not eligible to participate in this program.
-  The adaptive equipment must be purchased and installed within 12 months of vehicle purchase or lease. A Reimbursement Application Form must be submitted to the Lexus Customer Satisfaction within 90 days of complete installation of adaptive equipment.
Note: Lexus will reimburse the labor cost for transferring existing equipment from a used vehicle to a new Lexus, and recommends the transfer process be performed by an NMEDA Dealer with QAP certification. Refer to www.NMEDA.org for information on QAP certified dealers.
-  Qualifying adaptive equipment or conversion is defined as any aftermarket alteration or equipment installation on an eligible Lexus vehicle that provides to the disabled user convenient access and/or the ability to drive the vehicle. Lexus factory options and Lexus Accessories are NOT eligible for reimbursement. Equipment installed must be within vehicle weight limits as identified in the vehicle's Owner's Manual.
-  A prescription or note from a licensed medical doctor on physician's letterhead is required for reimbursement, except as noted on page 3. For a limited number of adaptations, such as hand controls and wheelchair or scooter hoists or ramps, no medical note or prescription is required. Any modifications not listed on this application as an obvious mobility adaptation must have a written document from a licensed medical doctor describing the customer's disability/limitation. Lexus accessories and/or equipment are not reimbursable if they are available to order as a factory option or dealer-installed accessory. For pedal extender reimbursement, the customer must be medically diagnosed with a dwarfism condition. **Questions about other adaptations should be directed to the Lexus Customer Satisfaction at (800) 255-3987.**
-  To obtain reimbursement, the Reimbursement Application Form must be completed in its entirety and signed by the customer and the selling dealership. It should be mailed along with a copy of the vehicle sales or lease agreement, the adaptive equipment company's paid invoice showing payment by the vehicle owner,* a Lessor Letter of Authorization (for leased vehicles**) and a prescription or note from a licensed medical doctor on physician's letterhead (when required) to the following address:

**LEXUS CUSTOMER SATISFACTION
19001 SOUTH WESTERN AVENUE
MAIL DROP L201
TORRANCE, CA 90501**

Payment to the individual Mobility Assistance Program customer will be mailed within
4–6 weeks after receipt of an approved claim form and all required documentation.

Please call Lexus Customer Satisfaction with any questions:
(800) 255-3987 or (800) 443-4999-TTY

* Reimbursement will not be made in cases where the equipment and/or installation is being paid for or reimbursed by another source.

** Note: If leasing through Lexus Financial Services, LFS will provide only an authorization letter for the following types of adaptive equipment: hand controls, left foot accelerator, wheelchair/scooter lift and turning automotive seating.

Eligible Mobility Adaptations for Drivers/Passengers

Lexus factory options and Lexus or Scion Accessories are **not** eligible for reimbursement under the Lexus Mobility Assistance Program.

The following adaptations would be considered obvious mobility adaptations and, as such, do not require a doctor's note, or completion of the LICENSED MEDICAL DOCTOR VALIDATION section of the Reimbursement Application Form or other documentation, to qualify for reimbursement.
