**Lexus Personalized Settings**

Your vehicle includes a variety of electronic features that can be programmed to your preferences. Programming of these features is performed once at no charge by your Lexus Dealer provided you obtain the service at the 6 month/5,000-mile scheduled maintenance service.

It is also possible to customize certain vehicle features yourself using the remote touch unit.

**Vehicles with Display Audio system:**

1. **Auto Lock by Speed**
   - When the vehicle reaches 13 mph:
     - The doors will not lock. (Standard) = Off
     - All the doors will automatically lock. = On

2. **Auto Lock by Shift from P**
   - When the vehicle is taken out of park and placed into another range:
     - The doors, if unlocked, will not automatically lock. = Off
     - The doors automatically lock. (Standard) = On

3. **Auto Unlock by Shift to P**
   - When the engine is running and the vehicle is placed into park:
     - All the doors will remain locked. = Off
     - All the doors will automatically unlock. (Standard) = On

4. **Auto Unlock by Driver Door**
   - When the vehicle is turned off and the driver door is opened within 10 seconds:
     - All of the remaining doors will remain locked. (Standard) = Off
     - All of the remaining doors will automatically unlock. = On

**Settings that can be customized by:**

**Using the remote touch**

- **Dealer**

LPS options were correct at time of development. All options are subject to change without prior notice.
Door Lock Settings (cont’d)
