

ES
2021

Can you see with your ears?

Can your vehicle
make weather nearly irrelevant?

Can hearing less of the road
help you enjoy more of it?

ES F SPORT shown in Ultra White¹

To craft the most amazing machines, you don't start with machines at all. You start with people.

The 2021 Lexus ES

ES F SPORT MODELS

The exhilarating ES F SPORT models feature styling and performance upgrades, such as an available Adaptive Variable Suspension system with Sport S+ mode, exclusive bolstered sport seats, and 19-inch wheels.

ES 300h

Two lightning-fast electric motors combine with a potent 2.5-liter engine for the most powerful ES Hybrid yet. The most fuel-efficient among all non-plug-in luxury vehicles,² it features a 44-MPG combined estimate.³ Low-light pedestrian-detection technology⁴ and the world's first Mark Levinson^{®5} PurePlay sound system are available on all ES models.

ES 350

Experience a 302-horsepower, 3.5-liter direct injection V6 engine and precision-tuned Direct-Shift eight-speed automatic transmission with paddle shifters. Amazon Alexa^{®6} compatibility is included across the ES line. And every ES model features Apple CarPlay^{®7} integration and class-leading standard Lexus Safety System+ 2.0.^{8,9}

ES 250 AWD

Pave your path with more confidence with new all-wheel drive capability—available for the first time ever on an ES—and a new, 2.5-liter in-line four-cylinder engine for an impressive 28-MPG combined estimate.¹⁰ Featuring the same evocative design and seamless connectivity as its ES 350 counterpart, the ES 250 AWD delivers refined luxury for every season.

ES F SPORT shown in Ultra White¹ (left), ESh shown in Moonbeam Beige Metallic (middle), ES shown in Nebula Gray Pearl (right)

ESh shown in Nebula Gray Pearl

Informed by *omotenashi*, the Japanese art of hospitality, the ES welcomes you into a spacious and inviting cabin with class-leading rear legroom.⁸ Other interior comforts include an available power rear sunshade and supple semi-aniline leather-trimmed seats, which feature a caliber of leather derived from only a fraction of the world's hides.

ES shown with Chateau semi-aniline leather with Linear Dark Mocha wood trim

An available panorama glass roof¹¹ allows more light into the cabin than conventional moonroofs. Its unique outer-sliding design creates a seamless appearance while providing ample natural light and added rear headroom.

ES shown in Nightfall Mica

ES F SPORT shown in Atomic Silver

ES F SPORT shown in Ultra White¹

ES shown in Nebula Gray Pearl

EXHILARATING PERFORMANCE

Offering three powerful engines, new all-wheel drive capability and an eight-speed automatic transmission, this is the most engaging ES ever.

Craftsmanship isn't only about creating the finest materials—it's about creating the most visceral experience behind the wheel. After years of research and exhaustive testing, one result is a robust 302-horsepower, 3.5-liter direct injection V6 engine. Further amplifying its performance, an eight-speed automatic transmission delivers intuitive responsiveness and seamless acceleration. Inspiring confidence at every curve, the first-ever ES 250 AWD features all-wheel drive capability and a potent new 2.5-liter in-line four-cylinder engine. The ES line also includes more aggressive F SPORT models and a powerful ES Hybrid. And paddle shifters are featured on all models, putting the thrill of lightning-fast gear changes at your fingertips.

**MORE CONFIDENCE.
MORE CONTROL.
MORE ROADS.**

With its low, wide stance and new all-wheel drive capability, the ES takes you further than ever before.

Explore more roads with more confidence with added all-wheel drive capability and the highly responsive, fuel-efficient 2.5-liter in-line four-cylinder engine of the new ES 250 AWD. Featured for the first time ever on an ES, this new all-wheel drive system empowers drivers by delivering greater responsiveness and control in a variety of weather conditions. All while sharing the coupe-like styling, highly rigid chassis and low center of gravity of the other ES models.

ES shown in Silver Lining Metallic

TWO POWER SOURCES. ONE EXHILARATING DRIVE.

*Experience the most powerful ES Hybrid yet,
and the most fuel-efficient Lexus ever.*

Combining next-generation hybrid technology and a highly potent 2.5-liter engine, this is the best of everything the ES has to offer. Its battery is not only remarkably small and lightweight, but also strategically placed as close to the middle of the vehicle as possible for optimized front/rear weight distribution and a lower center of gravity. And with paddle shifters that deliver driving dynamics similar to the ES250 AWD and ES350, the ES Hybrid brings you closer to the road than ever before. Pairing powerful performance with a 44-MPG combined estimate,³ it isn't just the most fuel-efficient Lexus ever—it's the most fuel-efficient among all non-plug-in luxury vehicles,² period.

ESh shown in Nebula Gray Pearl

F SPORT PERFORMANCE

*With agile handling, the
ES F SPORT offers performance
as dynamic as its style.*

Inheriting the DNA of Lexus high-performance vehicles, the F SPORT versions of the ES 250 AWD and ES 350 feature a specially tuned suspension for greater agility. And taking performance to the next level, the ES 350 F SPORT offers the same next-generation Adaptive Variable Suspension system found on the LC for reduced body roll and maximum responsiveness. And, complementing its thrilling performance, it emits an even more throaty engine note at higher rpm.

ES F SPORT shown in Ultra White¹

F SPORT STYLING

From sliding gauges inspired by the world-renowned LFA supercar to Circuit Red-trimmed sport seats with enhanced bolsters, every aspect of the ES F SPORT interior is designed to ignite your senses. The sport steering wheel features the same varied grip profile used in the high-performance LC for optimal control. Strikingly styled from the ground up, the ES F SPORT also features exclusive 19-inch wheels with a daring Dark Graphite finish.

ES F SPORT shown with Circuit Red NuLuxe^{®12} and Hadori Aluminum interior trim

ES shown in Matador Red Mica

Built on a highly rigid platform, the ES features a dynamic stance and a sleek, coupe-like silhouette inherited from the flagship LS. Elevating illumination to an art form, the ES demands a double-take with available ultra-compact Premium Triple-Beam LED headlamps, sleek LED taillamps, and daytime running lights adorned with the signature L shape.

EVOCATIVE DESIGN

With a long, wide, and athletic stance, the ES is captivating from every angle.

BOLDLY STYLED. *METICULOUSLY REFINED.*

With sculpted character lines, the ES pairs daring exterior design with innovative engineering for a dynamic yet refined ride. Boasting an incredibly low center of gravity and a forward-leaning stance, the ES doesn't just make you feel more connected to the road, it helps you hear less of it. Building on the sound-dampening capabilities of the flagship LS, the ES features numerous components that minimize engine vibration and significantly reduce road noise, allowing you to focus on what matters most—the drive.

ES F SPORT shown in Ultra White¹

Exclusively available on the ES F SPORT, the *Hadori* Aluminum trim is inspired by a traditional Japanese sword-making technique. Our Lexus *takumi* master craftsmen exhaustively researched the centuries-old process, and then developed a special polishing technique to mimic the design. The result? A one-of-a-kind interior trim with exceptional depth and luster. Complementing this ornamentation, intricate hand-stitching on the dash provides a unique tactile quality and dimension that elevate the interior even further.

CRAFTSMANSHIP BORN FROM IMAGINATION

*Every curve, innovation and feeling
is a product of mastery.*

From the hand-stitching on the dash to the available *Hadori* Aluminum accents and three-dimensional quilted seat design, this is the epitome of unconventional craftsmanship. The ES features exquisite Linear Espresso and Linear Dark Mocha wood trims, multilayered works of art inspired by a Lexus-exclusive design that requires 67 manufacturing steps over 38 days. It also inherits the precision-crafted steering wheel found in the uncompromising LS. By measuring the distribution of palm pressure on multiple points of the wheel during countless hours of test-driving, its unique shape was created to provide the most natural grip regardless of hand position. And pairing optimal performance with optimal comfort, this unrivaled wheel offers heating around its entire circumference.

LUXURY, CENTERED AROUND YOU

Experience where refinement and innovation combine in a driver-centric cockpit and the largest available display in its class.⁸

With contemporary styling and cutting-edge technology, the ES offers a refreshing point of view on modern luxury. Discover thoughtful amenities like 10-way power-adjustable seats with available heating and ventilation, designed to envelop you and connect you to the road. Unlike conventional ventilated seats, these pull air directly from the climate-control system to more effectively and efficiently cool you. These refined luxuries are complemented by numerous expressions of modern style and technology, from an available 12.3-inch split-screen multimedia display to available ambient lighting that accentuates the sculpted lines throughout the cabin.

ESh shown with Chateau semi-aniline leather and Linear Dark Mocha wood interior trim

The ultimate expression of the ES, the ES Hybrid builds upon its bold exterior styling with a sleek, concealed exhaust. Providing an incredibly refined ride, the rigid platform and Lexus-first Hybrid-Acoustics™ offer unprecedented sound-dampening measures, such as high-precision noise-canceling technology, to ensure the quietest drive possible. And a Super Ultra-Low Emission Vehicle certification means it produces fewer smog-forming emissions than conventionally powered vehicles.¹³

ESh shown in Nebula Gray Pearl

ESh shown with Apple CarPlay^{®7} integration and Chateau leather interior trim

The ES offers numerous breakthroughs, from Amazon Alexa⁶ compatibility to Android Auto^{TM14} to the world's first Mark Levinson^{®5} PurePlay sound system. With the most advanced soundstage technology available in a Lexus, this system features speakers placed higher within the cabin to reduce reflections as well as create tonal synergy and nuances not found in any other vehicle. The result: audio that's not only heard, but experienced like never before.

EMPOWERING TECHNOLOGY

Offering class-leading audio technology⁸ and innovations like Apple CarPlay integration and Android Auto, the ES helps keep you more connected than ever before.

PEACE OF MIND, STANDARD

Presenting Lexus Safety System+ 2.0, an integrated suite of class-leading standard active safety equipment.^{8,9}

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION

By enhancing the radar and camera capabilities, it's possible for the system¹⁵ to help detect not only the vehicle ahead, but also a preceding bicyclist in daytime and even a preceding pedestrian in daytime and low-light conditions. Should it detect a potential frontal collision, it can help automatically brake the vehicle to a stop.

LANE TRACING ASSIST

When All-Speed Dynamic Radar Cruise Control¹⁶ is enabled, this hands-on system¹⁷ monitors visible lane markings or the path of the preceding vehicle to help the driver keep their vehicle centered in the lane by providing steering assistance. Designed for added convenience and to help reduce driver strain, the system can even be used in traffic and on highways with gradual curves.

LANE DEPARTURE ALERT WITH STEERING ASSIST

This system¹⁸ utilizes a camera to monitor visible lane markings. If an inadvertent lane departure is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take slight corrective measures to help keep you within your visibly marked lane.

ROAD SIGN ASSIST

This system¹⁹ uses a built-in camera to help provide road sign information in the instrument panel. In addition to displaying speed limit information, the system can alert you of certain detected signs you otherwise might have missed.

ALL-SPEED DYNAMIC RADAR CRUISE CONTROL

This system¹⁶ uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. Whether at highway speeds or in stop-and-go traffic, the system is designed to detect if you get closer than the preset distance and automatically slow your vehicle—even to a complete stop. If driving at highway speeds and the road ahead clears, your Lexus returns to its preset speed.

INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams²⁰ offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

LEXUS SAFETY SYSTEM + 2.0

ESh shown in Nebula Gray Pearl

In addition to class-leading standard Lexus Safety System+ 2.0,^{8,9} the ES offers a Blind Spot Monitor²¹ to help you safely switch lanes and an Adaptive Front Lighting System²² to seamlessly illuminate curves as you steer.

ESh shown in Nebula Gray Pearl

INNOVATION AT YOUR FINGERTIPS. AND BEYOND.

LEXUS ENFORM

Lexus Enform²³ elevates connected technology and provides concierge-level convenience. From emergency assistance and onboard Wi-Fi^{TM24} to the ability to start your engine remotely²⁵ using your smartphone, smartwatch, the Lexus skill on Amazon Alexa⁶ built-in devices, or the Lexus Action on Google with your Assistant-enabled²⁶ devices, our premium suite of connected technology offers peace of mind with every drive.

AMAZON ALEXA

Bring all the convenience of Amazon Alexa⁶ on the road with the Lexus+Alexa⁶ app. Using only your voice, you can easily access thousands of the same functions you get with Alexa at home. Listen to audiobooks, stream Amazon Music,⁶ make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices²⁷ such as lighting, thermostat and security systems. Offering added in-vehicle convenience, Alexa can even sync to your Navigation System²⁸ or provide on-the-go directions via the Waze^{TM29} app on compatible devices.

APPLE CARPLAY

With Apple CarPlay^{®7} integration, you can access the same familiar interface from your iPhone^{®30} through the vehicle's multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri,^{®31} and get access to your favorite apps like Waze, Spotify[®] and Apple Audiobooks.^{TM32}

ANDROID AUTO

With Android Auto,^{TM14} you can now seamlessly cast your device's interface onto the vehicle's multimedia display. Play your music via your favorite apps such as Spotify and Pandora,[®] send messages through a range of commonly used apps like WhatsApp,^{®33} navigate with Google Maps,²⁶ and request information—all with your voice. Just say "Hey Google" to get started. For added convenience, Android Auto can also help shorten your commute by automatically finding alternate routes if it detects heavy traffic.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.^{®37} Learn more about these complimentary services at lexus.com/specialists.

HEAD-UP DISPLAY

The available 10.2-inch full-color Head-Up Display can project key information including speed, current gear and rpm onto the windshield. Display information can also be adjusted to suit the driver.

PANORAMIC VIEW MONITOR

This available system³⁴ utilizes four high-resolution cameras mounted on the front, sides and rear of the vehicle to give you a bird's-eye view of the near environment. Moving View and See-Through View options create a composite image of the vehicle's surroundings as on-screen guides assist with parking and tight maneuvering. The advanced Panoramic View Monitor is also linked to the Rear Cross-Traffic Braking system,³⁵ which is designed to help you avoid a potential collision with a static object, or even a pedestrian.

HANDS-FREE POWER TRUNK

The available power open/close trunk with kick sensor³⁶ can be operated using a button on the key fob, the trunk lid or next to the steering wheel. For added convenience when your hands are full, the open/close function can be performed by waving your foot under the rear bumper.

ES STYLES

ES 250 AWD

Standard features:

203-horsepower in-line 4 engine

SmartAccess^{38,39} with push-button Start/Stop

Drive Mode Select

Paddle shifters

Power moonroof

Lexus Multimedia System⁴⁰ with 8.0-inch color display

Lexus 10-speaker Premium Sound System

Lexus Enform Remote²⁵ with Amazon Alexa⁶ and Google Assistant²⁶ compatibility. Accessed via the Lexus app. Included for the first three years of ownership.

Lexus app (Enform Remote engine start, service scheduling, Vehicle Health Reports/Alerts, and more)

Lexus Enform Wi-Fi:²⁴ 4GB/three-month trial is included.

Amazon Alexa compatibility

Apple CarPlay^{®7} integration

Android Auto^{TM14}

Bluetooth^{®41} and USB⁴² smartphone connectivity

Subscription-free Traffic and Weather updates via HD Radio^{TM43}

Voice Command and Siri Eyes Free^{®31}

Color LCD multi-information display

Dual-zone climate control with interior air filters, smog sensor and automatic recirculation mode

Perforated NuLuxe^{®12} interior trim

10-way power-adjustable front seats

Bi-LED headlamps, LED taillamps and daytime running lights

Backup camera⁴⁴

Vehicle Stability Control⁴⁵

10 standard airbags⁴⁶

Lexus Safety System+ 2.0⁹ (Pre-Collision System with Pedestrian Detection;¹⁵ Lane Tracing Assist;¹⁷ Lane Departure Alert with Steering Assist;¹⁸ Road Sign Assist;¹⁹ All-Speed Dynamic Radar Cruise Control¹⁶ and Intelligent High Beams²⁰)

Lexus Enform Safety Connect.⁴⁷ Included for the first three years of ownership.

Lexus Enform Service Connect.⁴⁸ Included for the first 10 years of ownership.

Complimentary maintenance services.⁴⁹ (Please refer to the *Warranty and Services Guide* for details.)

ES 250 LUXURY AWD

Includes ES 250 AWD features and Premium Package, plus:

Wood trim with ambient lighting

Wood- and leather-trimmed steering wheel

Blind Spot Monitor²¹ with Rear Cross-Traffic Alert⁵⁰ and Intuitive Parking Assist⁵¹ with Auto Braking⁵²

Perforated leather interior trim

Driver's-seat power cushion extender

14-way power-adjustable driver's seat

Power rear sunshade

ES 250 ULTRA LUXURY AWD

Includes ES 250 Luxury AWD features, and adds or replaces:

Blind Spot Monitor with Rear Cross-Traffic Alert, Intuitive Parking Assist with Auto Braking and Rear Pedestrian Detection,⁵³ and Panoramic View Monitor³⁴

Heated wood- and leather-trimmed steering wheel, windshield wiper de-icer and fast-response interior heater

Navigation System²⁸ with 12.3-in color multimedia display

Perforated semi-aniline leather interior trim

Power rear sunshade with manual rear-door sunshades

Power open/close trunk with kick sensor³⁶

Lateral performance dampers

ES 350

Includes ES 250 AWD features, and adds or replaces:

302-horsepower V6 engine

ES 350 LUXURY

Includes ES 350 and ES 250 Luxury AWD features.

ES 350 ULTRA LUXURY

Includes ES 350 and ES 250 Ultra Luxury AWD features.

ES 300h

Includes ES 250 AWD features, and adds or replaces:

215-total-system-horsepower hybrid engine

Hybrid-AcousticsTM sound dampening

Concealed exhaust

Rear spoiler

ES 300h LUXURY

Includes ES 300h and ES 250 Luxury AWD features.

WHEELS

The ES offers noise-reduction wheels that force sound waves through resonator holes, increasing friction and converting unwanted sound energy into heat energy that's then dissipated into the air. It's a stylish ride made that much smoother.

For phone compatibility visit: <https://www.android.com/autof/>. Vehicle user interface is a product of Google and its terms and privacy statement apply. Requires compatible smartphone connected with an approved data cable into the USB media port and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android and Android Auto are trademarks of Google LLC. **15.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **16.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **17.** Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. **18.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **19.** Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and Navigation System (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. **20.** Intelligent High Beams operate at speeds above 21 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **21.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **22.** The Adaptive Front Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain will limit effectiveness, requiring the driver to manually turn off the system. See *Owner's Manual* for additional limitations and details. **23.** Lexus Enform services depend on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Lexus' control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See <https://www.lexus.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. **24.** Eligible vehicle and wireless service required. Coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/lexus for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Enform Wi-Fi trial begins at the time of activation and expires when 4GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. **25.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Enform Remote depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Lexus' control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See *Owner's Manual*, and see [lexus.com/enform](https://www.lexus.com/enform) for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Enform Remote trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. **26.** Google and Google Maps are trademarks of Google LLC. Always drive safely and obey traffic laws. Functionality depends on many factors outside of Lexus' control. Actions and services subject to change at any time without notice. To learn more, go to [lexus.com/enform](https://www.lexus.com/enform). To learn more about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **27.** Certain Alexa functionality is dependent on smart home technology. Skills and services subject to change at any time without notice. **28.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depend on many factors, and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. **29.** Waze and related marks and logos are registered trademarks of Google LLC. **30.** iPhone is a registered trademark of Apple Inc. All rights reserved. **31.** Always focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. See Apple.com and phone carrier for details. Data charges may apply. Siri is a registered trademark of Apple Inc. **32.** Apple Audiobooks is a trademark of Apple Inc. All rights reserved. Spotify is a registered trademark of Spotify Technology Holding. Waze and Waze logo are registered trademarks of Google LLC. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **33.** WhatsApp is a registered trademark of WhatsApp Inc. **34.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **35.** Rear Cross-Traffic Braking is intended to assist a driver, but it is the driver's responsibility to be aware of the vehicle's surroundings. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **36.** The touchless sensor can be affected by water, weather, dirt and other conditions. It may not operate properly, or may operate unintentionally, under certain conditions. See *Owner's Manual* for additional limitations and details. **37.** FaceTime is a registered trademark of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **38.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **39.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to www.alo.org to find a qualified locksmith in your area who can perform high-security key service. **40.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. **41.** The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **42.** May not be compatible with all mobile phones, MP3/WMA players and like models. **43.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **44.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **45.** Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **46.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **47.** Lexus Safety Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Lexus' control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual*, and see [lexus.com/enform](https://www.lexus.com/enform) for additional details. To learn about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **48.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on an operative telematics device, a cellular connection, GPS signal strength, and other factors outside of Lexus' control, which can limit functionality or availability. Service may vary by vehicle or region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and [lexus.com/enform](https://www.lexus.com/enform) for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription renewal will be included when Safety Connect, Remote Connect, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. **49.** Lexus provides complimentary maintenance for your first two scheduled visits. To obtain these services, contact your Lexus dealership. Complimentary services applicable for new Lexus vehicle registered owners and service intervals may vary, depending on model. Please refer to the *Warranty and Services Guide* for details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **50.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **51.** Intuitive Parking Assist (IPA) is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, size and composition, may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **52.** Automatic Braking is intended to assist a driver, but it is the driver's responsibility to be aware of the vehicle's surroundings. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **53.** Intuitive Parking Assist with Auto Brake and Rear Pedestrian Detection is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's or person's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **54.** Dynamic Navigation and Dynamic Voice Command are dependent on an operative telematics device, a cellular connection, navigation map data, GPS signal strength, and other factors outside of Lexus' control, which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and [lexus.com/enform](https://www.lexus.com/enform) for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **55.** Destination Assist depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Lexus' control, which can limit system functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and [lexus.com/enform](https://www.lexus.com/enform) for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **56.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **57.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **58.** Preliminary MPG estimates determined by Lexus. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **59.** For accessories purchased at the time of the new-vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles from the vehicle's in-service date, which is the same coverage as the new-vehicle Basic Warranty. For accessories purchased after the new-vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new-vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus Accessory Limited Warranty or documentation that accompanies accessory purchase for coverage and conditions. **60.** Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **61.** This floor liner or floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner or mat must be secured with its fasteners. Do not install a floor liner or mat on top of an existing floor liner or mat. **62.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **63.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **64.** Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the event of an accident. Tablet, phone, music and video player sold separately. **65.** Genuine Lexus Paint Protection Film by 3MTM is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. **Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.** Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
