

# GX

2021

Can you escape it all  
while still being connected to everything?

Can off-road technology  
make paved roads more enjoyable?

Can you feel at home  
when you're miles away from it?

To craft the most amazing machines, you don't start with machines at all. You start with people.

## The 2021 Lexus GX

---

### GX 460

Embrace timeless SUV strength with a contemporary front fascia; camera technology that enhances both off-road<sup>1</sup> and on-road capabilities; a powerful 4.6-liter V8 engine; full-time four-wheel drive; an available Crawl Control<sup>2</sup> system with five selectable speed modes; and distinctive interior trims. This is the epitome of rugged refinement.

GX shown in Atomic Silver

GX shown in Starfire Pearl<sup>3</sup>

In addition to the 40/20/40-split second-row seats, the driver and front passenger enjoy 10-way power seats with lumbar adjustability. The third-row seats prove generous and convenient, as the seating folds flat into the cargo-area floor manually, or, when equipped, with the press of a button. And a tilt-and-slide second-row seat feature simplifies passenger-side access to the third row. Available heated and ventilated front seats, heated outboard second-row seats and three-zone climate control offer additional indulgence.

GX shown with Ecru NuLuxe<sup>®</sup> and available captain's chairs<sup>9</sup>

GX shown in Black Onyx

GX shown in Atomic Silver

GX shown in Black Onyx

GX shown in Atomic Silver

Embracing a sophisticated design all its own, the muscular GX features an imposing stance, a modern front fascia with Premium Triple-Beam LED headlamps, available 19-inch wheels and more. Feel at home in unparalleled craftsmanship, bold details and a striking balance of comfort and capability from a luxury utility vehicle that exceeds all expectations.

## DESIGNED TO CAPTIVATE

From contemporary craftsmanship to evocative illumination, the 2021 GX leaves an unforgettable impression.

## EVOCATIVE AT EVERY GLANCE

*With distinctive trims and sophisticated refinements, every detail is crafted to enhance the driving experience.*

Every GX comes from the hands of masters. The interior leather trim is carefully selected from around the world, and only a fraction is considered worthy. The available semi-aniline leather trim, offered in a striking Rioja Red, is dyed all the way through, unlike leathers with conventional surface dyes. A higher grade of leather must also be used, since imperfections cannot be hidden. The available Gray Sapele wood trim adds another level of refinement. It marries the natural expression of fine wood with the clean sophistication of brushed aluminum by layering the juxtaposing materials—laser technology engraves the wood surface to reveal the delicate metallic lines underneath. With an intuitive, three-spoke steering wheel featuring convenient controls, plus an available three-zone climate control to personalize temperature settings, the 2021 GX provides a memorable first-class experience.

# SOUND THAT STIRS THE SENSES

## MARK LEVINSON<sup>®6</sup> AUDIO

While most audio systems are adapted to and installed in a vehicle after it's produced, Mark Levinson<sup>®6</sup> technicians work alongside Lexus engineers from the outset of the development process. That's why the GX features a dynamic soundstage uniquely fitted to the cabin. Enabling you to hear music in its purest, highest fidelity, the system even allows listeners to experience the arrangement of individual instruments and performers, to more accurately express the artist's original intent. The available Mark Levinson<sup>®6</sup> Premium Surround Sound Audio System features 17 speakers and 330 watts of maximum power. The resulting audio experience immerses the cabin in multidimensional sound that was once reserved for six-figure home audio systems.

audio system

GX shown in Starfire Pearl<sup>3</sup>

# ENGINEERED TO CONQUER

Remarkable capability and  
responsiveness make nearly  
every terrain yours for the taking.

Experience the luxury utility vehicle  
that combines rally-proven off-road<sup>1</sup>  
performance and responsive on-road  
handling, to boldly take on adventures  
of all kinds. With an intelligent V8 engine,  
a robust towing capacity<sup>7</sup> and full-time  
four-wheel drive, the 2021 GX offers  
high strength in high style.

# POWER. POISE.

*Experience peak performance on any road with a highly advanced suspension system unlike any in its class.<sup>8</sup>*

Utilizing technology proven in FIA World Rally Championship competition, the Kinetic Dynamic Suspension System is designed to automatically act on the front and rear stabilizer bars to vary the degree of roll stiffness depending upon road conditions. This system not only improves on-road handling and ride comfort, it allows for greater suspension travel and articulation off-road<sup>1</sup> so that the vehicle remains remarkably level, making all roads more enjoyable.

## ON-ROAD

The system automatically optimizes the stabilizer bars to increase agility and reduce body lean, especially while cornering.

## OFF-ROAD

The stabilizer bars automatically loosen in off-road scenarios for greater wheel articulation while crawling over rocks and navigating uneven terrain.

# 6,500-LB TOWING CAPABILITY

Engineered to accommodate almost any excursion, the GX is capable of towing up to 6,500 pounds,<sup>7</sup> thanks to a solid body-on-frame construction and a 4.6-liter V8 with 329 lb-ft of torque<sup>9</sup> at low engine speeds. Taking a smart approach to strength, Trailer Sway Control<sup>10</sup> helps detect and prevent excessive trailer movement. To help reduce sway, braking is applied independently to each wheel, and the throttle is moderated to help reduce vehicle speed. For added peace of mind, a flashing indicator alerts the driver when the system is taking corrective measures.

329  
lb-ft of torque

GX shown in Atomic Silver

GX shown in Nightfall Mica

# COMMAND THE CITY

---

With a variety of on-road technologies, the 2021 GX conquers perhaps the most challenging terrain of all for utility vehicles: the city. The available Adaptive Variable Suspension system monitors and adjusts the electronically controlled shock absorber settings of each wheel according to driving conditions or personal preference. The Torsen<sup>®11</sup> torque-sensing limited-slip center differential efficiently distributes engine power between the front and rear axles to optimize traction. And when navigating some of the most challenging city-driving scenarios, the GX also features Downhill Assist Control<sup>12</sup> to help keep the vehicle at a slow, constant descent speed and prevent the wheels from locking up, while Hill-start Assist Control<sup>12</sup> helps you feel secure when ascending from a stop by applying the brakes to all four wheels until the vehicle begins moving forward.

# MASTER THE POSSIBILITIES

*Experience next-level adventures with advanced technologies that take on nearly any road.*

In addition to full-time 4WD, commanding performance reaches a new peak with the available Off-Road Package. Multi-Terrain Select allows you to choose from multiple surfaces such as loose rocks, mud and sand, moguls and more to optimize drivability. And for greater visibility to match, the Multi-Terrain Monitor<sup>13</sup> works with Multi-Terrain Select to display a variety of distinct camera views, including a convenient under-vehicle view. The 2021 GX also offers a Crawl Control<sup>2</sup> system that features five speed modes. Activated with the simple push of a button, it helps automatically maintain an optimal slow and steady pace over challenging terrain. And to give the most avid off-road<sup>1</sup> driver peace of mind, the package even features a transmission-oil cooler and a fuel-tank protector.

### UNDER VIEW

Useful when traversing rocks or moguls, this view<sup>13</sup> displays the terrain and tire location underneath your vehicle.

### SIDE VIEW

When your excursion leads you into tight spaces, this view<sup>13</sup> allows you to clearly see the areas to the left and right of your vehicle.

### FRONT VIEW

This view<sup>13</sup> displays both the front panoramic and overhead views to give you a 360-degree perspective of your vehicle.

### REAR VIEW

When you put the vehicle in reverse, the backup camera<sup>14</sup> and overhead views<sup>13</sup> are shown on the multimedia display in full color with dynamic gridlines to help you avoid obstacles.

## MULTI-TERRAIN MONITOR

GX shown in Nebula Gray Pearl

Offering new Amazon Alexa<sup>15</sup> compatibility, you can stay connected even while escaping it all. In addition, Lexus Enform<sup>16</sup> offers concierge-level convenience, allowing you to access your favorite apps, receive destination assistance,<sup>17</sup> start your vehicle remotely<sup>18</sup> using your smartwatch and more. All while advanced camera technologies help provide greater visibility via the main display, for added peace of mind.

# CRAFTED TO CONNECT

Offering innovations like Amazon Alexa capability, this is the most advanced GX ever.

GX shown with Ecru leather and Gray Sapele wood with Aluminum interior trim

GX shown with Black NuLuxe<sup>®4</sup> interior trim

# SEE MORE. DO MORE.

*With advanced camera technology and the flexibility to start your engine remotely from your smartphone, the GX offers a new perspective on exploration.*

## PANORAMIC VIEW MONITOR

Designed to help drivers avoid potential obstacles and make parking more convenient, the available Panoramic View Monitor,<sup>13</sup> with wide front view and side view, uses four high-resolution cameras to create a composite image of the vehicle's near surroundings. It can be paired with backup view<sup>14</sup> or wide back view<sup>14</sup> to assist with parking and maneuvering in hard-to-see areas in real time.

## LEXUS ENFORM

Lexus Enform<sup>16</sup> elevates connected technology and provides concierge-level convenience. From available access to a live response center agent and new Amazon Alexa<sup>15</sup> compatibility to the ability to start your engine remotely<sup>18</sup> using your smartphone, smartwatch, the Lexus skill for Amazon Alexa built-in devices, or the Lexus Action on Google with your Assistant-enabled<sup>19</sup> devices, our premium suite of connected technology offers peace of mind with every drive.

## LEXUS APP

Manage your vehicle on the go with the new Lexus app. You can do everything from starting your vehicle remotely with your smartphone to scheduling a service appointment with a few simple taps, and much more. The Lexus app is available for download from the Apple App Store<sup>®20</sup> or Google Play store.<sup>21</sup>

## BLIND SPOT MONITOR WITH REAR CROSS-TRAFFIC ALERT

To help you change lanes with confidence, the Blind Spot Monitor<sup>22</sup> is designed to help detect and warn you of vehicles approaching or positioned in the adjacent lanes. And for added confidence, Rear Cross-Traffic Alert<sup>23</sup> is designed to help you when backing out of a parking space by notifying you of vehicles approaching from either side.

## DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.<sup>®24</sup> Learn more about these services at [lexus.com/specialists](https://lexus.com/specialists).

PEACE OF MIND,  
STANDARD

*Presenting Lexus Safety System+, an integrated suite of the most advanced standard active safety equipment ever offered on the GX.<sup>25</sup>*

PRE-COLLISION SYSTEM WITH  
PEDESTRIAN DETECTION

This system<sup>26</sup> is engineered to help detect a vehicle or a pedestrian in the path of your Lexus under certain conditions. Should it detect a potential frontal collision, it's designed to automatically prepare Brake Assist<sup>27</sup> for increased brake force and, in some cases, can even automatically brake the vehicle to a stop.

LANE DEPARTURE ALERT

This system<sup>28</sup> utilizes a high-resolution camera to monitor visible lane markings and determine the vehicle's position within a lane. If an inadvertent lane departure is detected at speeds above 32 mph, the system attempts to alert the driver with audible and visual warnings and steering-wheel vibrations.

HIGH-SPEED DYNAMIC RADAR  
CRUISE CONTROL

This system<sup>29</sup> uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. If you get closer than the preset distance, the throttle is automatically reduced and the brakes may be applied. As soon as the road ahead clears, your Lexus returns to its preset speed.

INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams<sup>30</sup> offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

LEXUS SAFETY SYSTEM +

GX shown in Claret Mica

# GX STYLES

## GX

Standard features on every GX:

- Body-on-frame construction
- Premium Triple-Beam LED headlamps
- Color multi-information display
- Lexus Multimedia System<sup>31</sup> with color display and nine speakers
- Voice Command
- Bluetooth<sup>®32</sup> and USB<sup>33</sup> smartphone connectivity
- Subscription-free Traffic and Weather updates via HD Radio<sup>34</sup>
- Siri<sup>®</sup> Eyes Free<sup>35</sup>
- Lexus Enform Safety Connect<sup>36</sup> and Service Connect.<sup>37</sup> Included for the first 10 years of ownership.
- Lexus Enform Remote<sup>18</sup> with Amazon Alexa<sup>15</sup> and Google Assistant<sup>19</sup> compatibility. Accessed via the Lexus app. Included for the first three years of ownership.
- Lexus app (Enform Remote engine start, service scheduling, Vehicle Health Reports/Alerts, and more)
- Four USB<sup>33</sup> ports (two front/two rear)
- NuLuxe<sup>®4</sup> interior trim
- SmartAccess<sup>38,39</sup> with push-button Start/Stop
- 10-way power-adjustable front seats
- Reclining, sliding middle-row seats with 40/20/40-split seatback
- Fold-flat third-row seats
- Dual-zone climate control with interior air filter
- Lexus Memory System
- Power moonroof
- Privacy glass
- Illuminated running boards
- Lexus Safety System+<sup>25</sup> (Pre-Collision System with Pedestrian Detection,<sup>26</sup> Lane Departure Alert,<sup>28</sup> High-Speed Dynamic Radar Cruise Control<sup>29</sup> and Intelligent High Beams<sup>30</sup>)
- Blind Spot Monitor<sup>22</sup> with Rear Cross-Traffic Alert<sup>23</sup>
- 10 standard airbags<sup>40</sup>
- Trailer Sway Control<sup>10</sup>
- Backup camera<sup>14</sup>
- Complimentary maintenance services.<sup>41</sup> (Please refer to the *Warranty and Services Guide* for details.)

## GX PREMIUM

Includes GX features and Navigation Package, plus:

- Gray Sapele wood with Aluminum trim
- Intuitive Parking Assist<sup>42</sup>
- LED foglamps
- Rain-sensing windshield wipers
- Windshield wiper de-icer
- Heated and ventilated front seats
- Heated second-row outboard seats
- Three-zone automatic climate control with interior air filter

## GX LUXURY

Includes GX Premium features, and adds or replaces:

- Headlamp washers
- Adaptive Variable Suspension
- Auto-leveling Rear Air Suspension
- Semi-aniline leather interior trim
- Power third-row seats
- Heated power-folding outside mirrors
- Cargo-area tonneau cover
- Illuminated door scuff plates
- 19-in split-six-spoke alloy wheels with Gray and machined finish

# PACKAGES

## PREMIUM PLUS

Includes GX Premium features and Navigation Package, plus:

- Mark Levinson<sup>®6</sup> 17-speaker, 330-watt Premium Surround Sound Audio System
- Power third-row seats

## NAVIGATION PACKAGE

- Navigation System<sup>43</sup>
- Lexus Enform App Suite<sup>44</sup>
- Amazon Alexa compatibility<sup>15</sup>
- High-resolution color LCD display
- Lexus Enform Destination Assist.<sup>17</sup> Included for the first year of ownership.

## MARK LEVINSON<sup>®6</sup> PREMIUM SURROUND SOUND AUDIO PACKAGE (GX PREMIUM, GX LUXURY)

Includes Navigation Package, plus:

- A Mark Levinson<sup>®6</sup> 17-speaker, 330-watt Premium Surround Sound Audio System

## SPORT DESIGN PACKAGE (GX PREMIUM, GX LUXURY)

- 19-in split-six-spoke alloy wheels with Dark Gray and machined finish
- Sport Design front fascia with Dark Gray finish
- Lower grille surround with Satin Chrome finish
- Sport Design mirrors
- Exhaust tip with Gunmetal Metallic finish
- Sport Design rear valance with Dark Gray finish
- Scarlet taillamps
- B Second-row captain's chairs<sup>5</sup>

## OFF-ROAD PACKAGE (GX LUXURY)

- C Panoramic View Monitor with Multi-Terrain Monitor<sup>13</sup>
- Transmission-oil cooler
- Fuel-tank protector
- Crawl Control<sup>2</sup>
- Multi-Terrain Select

# OPTIONS

- Panoramic View Monitor with Multi-Terrain Monitor<sup>13</sup> (GX Luxury)
- Heated and ventilated front seats (GX)
- Wood- and leather-trimmed heated steering wheel (GX Premium)
- Intuitive Parking Assist<sup>42</sup> (GX)
- Headlamp washers (GX, GX Premium)
- Second-row captain's chairs<sup>5</sup> (GX Premium)
- Cargo-area tonneau cover (GX, GX Premium)

DISCLOSURES

**WARRANTY** Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the *GX Warranty and Services Guide* at your Lexus dealer for details.

**1.** The GX 460 is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Lexus encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area. **2.** Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations and details. **3.** Starfire Pearl available for an additional charge. **4.** NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **5.** Up to six passengers can be accommodated with the captain's chairs available on the GX 460 Premium and the GX 460 Luxury. **6.** Mark Levinson is a registered trademark of Harman International Industries, Inc. **7.** Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have any necessary additional equipment. If gross trailer weight is above 5,000 lb (2,268 kg), it is necessary to use a weight-distributing hitch with sufficient capacity. Do not exceed any Weight Ratings and follow all instructions and cautions from your trailer-hitch manufacturer and vehicle *Owner's Manual*. The maximum amount you can tow depends on the total weight of any cargo, occupants and available equipment. **8.** 2021 GX vs. 2020/2021 competitors. Information from manufacturers' websites as of 4/2/2020. **9.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. **10.** Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **11.** Torsen® is a registered trademark of JTEKT Torsen, Inc. **12.** Downhill Assist Control is designed to help the driver maintain vehicle control and speed on steep downhill descents, and Hill-start Assist Control is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect the ability of DAC and HAC to prevent a loss of control. See *Owner's Manual* for additional limitations and details. **13.** The Panoramic View Monitor and Multi-Terrain Monitor do not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **14.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **15.** Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Lexus+Alexa app is required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps and services subject to change at any time without notice. To learn more, go to <https://www.lexus.com/enform>. To learn more about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **16.** Lexus Enform services depend on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Lexus' control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See [lexus.com/enform](https://www.lexus.com/enform) for details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. **17.** Destination Assist depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Lexus' control, which can limit system functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and [lexus.com/enform](https://www.lexus.com/enform) for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Enform Remote trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **18.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Enform Remote depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Lexus' control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual*, and see [lexus.com/enform](https://www.lexus.com/enform) for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Enform Remote trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. **19.** Google is a trademark of Google LLC. Always drive safely and obey traffic laws. Functionality depends on many factors outside of Lexus' control. Actions and services subject to change at any time without notice. To learn more, go to [lexus.com/enform](https://www.lexus.com/enform). To learn more about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **20.** App Store is a service mark of Apple Inc. **21.** Google and Google Play are trademarks of Google LLC. **22.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **23.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **24.** Face time is a registered trademark of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **25.** Lexus Safety System+ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **26.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **27.** Brake Assist is designed to help the driver take advantage of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, and tire and road conditions. See *Owner's Manual* for additional limitations and details. **28.** Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **29.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **30.** Intelligent High Beams operate at speeds above 21 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **31.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. **32.** The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **33.** May not be compatible with all mobile phones, MP3/WMA players and like models. **34.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **35.** Always focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. See Apple.com and phone carrier for details. Data charges may apply. Siri is a registered trademark of Apple Inc. **36.** Lexus Safety Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Lexus' control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual*, and see [lexus.com/enform](https://www.lexus.com/enform) for additional details. To learn about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **37.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on an operative telematics device, a cellular connection, GPS signal strength, and other factors outside of Lexus' control, which can limit functionality or availability. Service may vary by vehicle or region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and [lexus.com/enform](https://www.lexus.com/enform) for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Remote Connect, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. **38.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **39.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to [www.aloa.org](https://www.aloa.org) to find a qualified locksmith in your area who can perform high-security key service. **40.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **41.** Lexus provides complimentary maintenance for your first two scheduled visits. To obtain these services, contact your Lexus dealership. Complimentary services applicable for new Lexus vehicle registered owners and service intervals may vary, depending on model. Please refer to the *Warranty and Services Guide* for details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **42.** Intuitive Parking Assist (IPA) is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, size and composition, may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **43.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depend on many factors, and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. **44.** Apps and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. See [lexus.com/enform](https://www.lexus.com/enform) for details. **45.** EPA-estimated MPG. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](https://www.fueleconomy.gov). **46.** All Accessories (Genuine Lexus and F SPORT) installed at the time of retail vehicle delivery are warranted for the same time as the new-vehicle warranty (48 months/50,000 miles). Accessories purchased after retail vehicle delivery and installed by an authorized Lexus dealer are warranted for 12 months from date of purchase or installation, regardless of mileage, or the remainder of any applicable new-vehicle limited warranty, whichever is greater. Accessories purchased over the counter are covered for 12 months from the date of purchase. For all Accessories, refer to your accessory limited warranty or documentation that accompanies accessory purchase for coverage and conditions. **47.** For accessories purchased at the time of the new-vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles from the vehicle's in-service date, which is the same coverage as the new-vehicle Basic Warranty. For accessories purchased after the new-vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new-vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus Accessory Limited Warranty or documentation that accompanies accessory purchase for coverage and conditions. **48.** Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **49.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **50.** This floor liner or floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner or mat must be secured with its fasteners. Do not install a floor liner or mat on top of an existing floor liner or mat. **51.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **52.** Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. **53.** Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the hood and front fenders. Depending on the model, it may also be applied to select portions of the front bumper for an additional charge. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **54.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **55.** Ball mount, trailer ball and tow hitch sold separately. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. **56.** Headphones are for passenger use only.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See [lexus.com](https://www.lexus.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. **Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.** Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit [lexus.com](https://lexus.com). To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
