

IS
2021

Can a design found at 12,000 feet
make you feel more connected to the road below?

Can a vehicle become an extension of you
in more ways than one?

Can you feel the G-forces of a curve
that's halfway around the world?

IS shown in Iridium¹

To craft the most amazing machines, you don't start with machines at all. You start with people.

The 2021 Lexus IS

IS 300

A reimagined, aggressively sculpted exterior meets a 2.0-liter turbocharged in-line four-cylinder engine with 241 horsepower.² Forged on the rigorous, all-new Shimoyama test course in Japan, it features a more rigid chassis for improved cornering and greater responsiveness. Rear-wheel drive.

IS 300 AWD

Conquer every curve with a powerful 3.5-liter V6 engine that generates 260 horsepower.² All models now feature Apple CarPlay^{®3} integration, Android Auto,^{TM4} an available pinch- and zoom-enabled 10.3-inch touchscreen multimedia display and our most advanced standard safety suite ever. All-wheel drive.

IS 350 F SPORT

Command the road—and attention—with a 311-horsepower,² 3.5-liter V6 and 19-inch staggered-width wheels.⁵ The Dynamic Handling Package adds an optimized Adaptive Variable Suspension, Torsen^{®6} limited-slip rear differential (RWD) and lightweight carbon fiber components. Available rear-wheel or all-wheel drive.

MORE THRILLING PERFORMANCE

To engineer a sport sedan this unrelenting, you must engineer a testing ground to match.

Combine unparalleled engineering and a test track destined to become an icon for world-class automotive performance and this is the result. Delivering pure exhilaration in three striking forms, this is the turbocharged IS 300, the capable IS 300 AWD and the daring IS 350 F SPORT. With a more rigid chassis for improved cornering and a low center of gravity for greater control, the 2021 IS line delivers a connection between vehicle and driver that's more visceral than ever before.

THE PROVING GROUND OF HIGH PERFORMANCE

*When you design a course to push every limit,
the result is more than a vehicle that's track tested.
It's track born.*

There are no shortcuts to extraordinary engineering. The only option is to go all in.

3.3 miles. 2.8 billion dollars invested. Hours spent calculating the camber and radius of every corner to engineer what could be the most demanding testing ground in the world: the Shimoyama track in Japan. All so the powerful G-forces we experienced there will be felt here—halfway around the world—by you.

As the first Lexus to be honed on this track, every element of the IS was refined to create optimal agility and the most linear response possible. From reducing body lean to increasing straight-line stability, the IS was pushed to perfection at every turn.

REDUCED BODY LEAN

The IS F SPORT offers a newly optimized Adaptive Variable Suspension that's more rigid and utilizes components that are up to 20% lighter. It features sensors that monitor G-forces and adjust damping through every turn to reduce body lean and improve response.

ENHANCED CORNERING

An available Torsen^{®6} limited-slip rear differential distributes power to the outside wheels for greater traction and maneuverability at every turn.

OPTIMIZED VEHICLE POSTURE

An available advanced suspension system features anti-dive damping when braking and anti-squat damping when accelerating for greater stability in both scenarios.

GREATER STRAIGHT-LINE STABILITY

The Lexus-exclusive swing-valve shock absorber⁸ reduces vertical vibrations to offer added vehicle stability while simultaneously helping you maintain a level field of view, reducing driver fatigue.

ALL-WHEEL DRIVE

Command more roads in more types of weather with the 2021 Lexus IS. With standard all-wheel drive, the IS 300 AWD features a 260-horsepower² 3.5-liter V6 that accelerates from 0 to 60 mph in 6.1 seconds.^{2,9} While the IS 350 F SPORT AWD propels off the line in a mere 5.7.^{2,9} By automatically allocating engine power between the front and rear axles from 30/70 to as much as 50/50, all-wheel drive can help provide enhanced traction and control on a wide range of road surfaces and conditions.

IS F SPORT shown in Iridium¹ using visual effects. Options shown. Do not attempt.

F SPORT

STYLING & PERFORMANCE

Unmistakable style meets unrivaled performance. The IS 350 F SPORT interior boasts a sleek and aggressive command center, a steering wheel trimmed in perforated leather, aluminum pedals and exclusive stitching. Plus, the F SPORT adds bolder, 19-inch staggered-width wheels⁵ and daring Gloss Black accents around the grille, lower rocker and rear spoiler.

Boasting a potent 311-horsepower² V6 engine and an available optimized Adaptive Variable Suspension for improved cornering and stability, each drive is more thrilling than the last. And for those looking to go all in on exhilaration, it emits a throaty engine note at higher rpm.

IS F SPORT shown in Ultrasonic Blue Mica 2.0¹

F SPORT BOLSTERED SEATS

Featuring enhanced bolsters and a unique foam-injected construction designed to cradle the driver during high-G turns, exclusive F SPORT seats wrap the driver from hip to shoulder. Their low position helps place the driver's hip point as close as possible to the vehicle's center of gravity for a more dynamic driving experience.

PERFORMANCE-INSPIRED INSTRUMENTATION

Nearly identical to the digital gauges in the world-renowned LFA supercar, the instrument cluster in the IS F SPORT features a digital display that moves in concert with a sliding bezel, expanding and retracting digital readouts when information is accessed.

ALL-IN ENGINEERING. ALL-OUT PERFORMANCE.

With a carbon fiber rear spoiler, exclusive BBS wheels and more, the Dynamic Handling Package pushes style and performance to new heights.

Take the exhilaration of the IS F SPORT to the next level with the Dynamic Handling Package. Offering more lightweight carbon fiber components for increased aerodynamics and additional drive modes for sharper cornering, it turns every drive into a thrill ride.

CARBON FIBER REAR SPOILER

Adding downforce at higher speeds, this aerodynamic addition will help you turn heads as quickly as corners.

CARBON FIBER OUTER MIRROR HOUSINGS

The unique side mirror housings, exclusively available with the IS F SPORT Dynamic Handling Package, are designed with carbon fiber for added edge.

STAGGERED-WIDTH 19-INCH MATTE BLACK BBS®¹⁰ WHEELS

These larger, staggered-width forged alloy wheels are not only lighter for reduced unsprung weight, they also improve grip for enhanced handling and responsiveness.

ADAPTIVE VARIABLE SUSPENSION

This lighter, optimized suspension not only adjusts the shock settings on each wheel depending on road conditions but also tightens while cornering for reduced body lean and even greater response. It also features an enhanced layout to support new, wider 19-inch wheels.⁵

¹IS F SPORT shown in Infrared¹

IS F SPORT shown in Iridium¹

The wider stance and dramatic character lines of the redesigned IS capture your attention and evoke a visceral response. The hood and front fenders seamlessly flow together, leading your eye from the slimmer available Premium Triple-Beam LED headlamps to the larger 19-inch staggered-width F SPORT alloy wheels.⁵ And complementing the dynamic front, the aggressively sculpted rear features a singular taillamp that tapers into mere millimeters in the center.

MORE EVOCATIVE STYLING

From its boldly redesigned exterior to its wider stance, the 2021 Lexus IS looks as exhilarating as it feels.

DESIGN THAT CATCHES EYES, NOT THE AIR.

From its coupe-like silhouette to its sleeker LED headlamps, every element captures your attention. And little else.

While most automakers are content to play it safe when it comes to design, we looked elsewhere for inspiration: to an altitude of 12,000 feet, observing the wingsuits worn by extreme skydivers. By analyzing a sport that tests the limits of human exhilaration, our goal was to craft a vehicle that evoked the same.

From the dramatic hourglass shape of its shoulder lines to the large front fenders that seamlessly unite with its elongated hood, each daring design cue harkens back to its aerodynamic inspiration.

WIDER STANCE

A full 30 millimeters wider than its predecessor, the 2021 IS is more aggressive at every angle. It also features widened front and rear fenders to accommodate its larger wheels.

REAR SPOILER

The IS 350 F SPORT features a distinctive Gloss Black spoiler that adds downforce at higher speeds.

SLEEKER LED HEADLAMPS

The new, available Premium Triple-Beam LED headlamps are slimmer and more striking than ever before.

ANGULAR CHARACTER LINES

With 360 degrees of flowing, continuous character lines juxtaposed by sharp edges, the 2021 IS looks as agile as it feels.

IS shown with Glazed Caramel NuLuxe² and Black Geometric interior trim

DRIVER-FOCUSED COCKPIT

The 2021 IS combines modern craftsmanship with exceptional comfort. While the reimagined interior is designed around the driver—with elements like a shift knob and steering wheel trimmed in hand-selected leather—it rewards every occupant with new Circuit Red or White seating options. Located where your hands naturally rest on the steering wheel, an available heating element continually monitors and adjusts the heating level to help maintain a set temperature. Further refining the driving experience, a dual-zone climate-control system features individual settings to allow the driver and front passenger to adjust their preferred temperatures.

Seating throughout the IS is as adaptable as it is striking. The low-set, eight-way power-adjustable front seats provide peak comfort while standard 60/40-split fold-down rear seats provide remarkable versatility. Available heated and ventilated front seats also offer separate heaters and fans in the seat cushions.

**PURE STYLE,
INSIDE AND OUT.**

With bold details throughout, every design element echoes pure performance.

Circuit-inspired design meets world-class craftsmanship with the reimagined IS. The slimmer LED headlamps with integrated daytime running lights are mirrored by the sweeping lines of the masterfully embossed IS F SPORT interior door panels. Every detail was considered, from new accent stitching along the dash to larger circular air vents reminiscent of jet turbines. Elevating the artful interior even further, it offers distinctive Ash ornamentation crafted with laser etching to maximize its tactile qualities.

IS F SPORT shown with Circuit Red NuLuxe[®] and Ash interior trim

IS shown with Apple CarPlay^{®3} integration and Glazed Caramel NuLuxe⁷ interior trim

The most forward-thinking IS yet debuts our most advanced standard safety suite ever, with added capabilities such as left-turn intersection support and enhanced lane tracing technology.¹¹ With new Amazon Alexa compatibility¹² and an available pinch- and zoom-enabled 10.3-inch touchscreen multimedia display that's intuitively placed for your convenience, this is more than technology that connects you—it's an extension of you.

MORE CONNECTED THAN EVER

From Apple CarPlay integration to our most innovative standard safety suite yet, this is the most advanced IS ever.

PEACE OF MIND, STANDARD

Introducing Lexus Safety System+ 2.5, a class-leading integrated suite of the most advanced standard active safety equipment ever included in a Lexus.^{8,13}

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION

With enhanced radar and camera capabilities, this system¹⁴ now features left-turn intersection support for pedestrians and vehicles. It can also help detect the vehicle ahead, a preceding bicyclist in daytime, and a preceding pedestrian in daytime and low-light conditions. Should it detect a potential frontal collision, it can help provide steering assistance and can help automatically brake the vehicle to a stop.

LANE TRACING ASSIST

When All-Speed Dynamic Radar Cruise Control¹⁵ is enabled, this hands-on system¹¹ monitors visible lane markings and can now recognize vehicles ahead. To help the driver keep their vehicle centered in the lane, it can provide steering assistance. Designed for added convenience and to help reduce driver strain, the system can even be used in traffic and on highways with gradual curves.

LANE DEPARTURE ALERT WITH STEERING ASSIST

This system¹⁶ utilizes a camera to monitor visible lane markings. If an inadvertent lane departure is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take slight corrective measures to help keep you within your visibly marked lane.

ROAD SIGN ASSIST

This system¹⁷ uses a built-in camera to help provide road sign information in the instrument panel. In addition to displaying speed limit information, the system can alert you of certain detected signs you otherwise might have missed.

ALL-SPEED DYNAMIC RADAR CRUISE CONTROL

This system¹⁵ now helps detect an upcoming curve and may lower your speed accordingly. It also helps you maintain a preset speed and following distance from the vehicle ahead. Whether at highway speeds or in stop-and-go traffic, the system is designed to detect if you get closer than the preset distance and can automatically slow your vehicle—even to a complete stop.

INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams¹⁸ offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

LEXUS SAFETY SYSTEM + 2.5

IS F SPORT shown in Iridium¹

CUTTING-EDGE CONNECTIVITY, CONNECTED TO YOU.

*Experience the latest innovations at your fingertips—
and the forefront of driver convenience.*

ANDROID AUTO

With Android Auto,^{TM4} you can now seamlessly cast your device's interface onto the vehicle's multimedia display. Play your music via your favorite apps such as Spotify^{®19} and Pandora,[®] send messages through a range of commonly used apps like WhatsApp,^{®20} navigate with Google Maps²¹ and request information—all with your voice. Just say "Hey Google" to get started. For added convenience, Android Auto can also help shorten your commute by automatically finding alternate routes if it detects heavy traffic.

AMAZON ALEXA

Bring all the convenience of Amazon Alexa¹² on the road with the Lexus+Alexa¹² app. Using only your voice, you can easily access thousands of the same functions you get with Alexa at home. Listen to audiobooks, stream Amazon Music,¹² make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices²² such as lighting, thermostat and security systems. Offering added in-vehicle convenience, Alexa can even sync to your Navigation System²³ or provide on-the-go directions via the Waze^{TM24} app on compatible devices.

APPLE CARPLAY

With Apple CarPlay^{®3} integration, you can access the same familiar interface from your iPhone^{®25} through the vehicle's touchscreen multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri,^{®26} and get access to your favorite apps like Waze, Spotify and Apple Audiobooks.^{TM27}

LEXUS ENFORM

Lexus Enform²⁸ elevates connected technology and provides concierge-level convenience. From emergency assistance and available onboard Wi-Fi²⁹ to the ability to start your engine remotely³⁰ using your smartphone, smartwatch, the Lexus skill on Amazon Alexa built-in devices, or using just your voice with Hey Google,²¹ our premium suite of connected technology offers peace of mind with every drive.

PANORAMIC VIEW MONITOR

The IS offers passionate design with optimal visibility, as seen in the available Panoramic View Monitor.³¹ Four high-resolution cameras mounted on the front, sides and rear of the vehicle give drivers a bird's-eye view of the near environment. Moving View and See-Through View options create a composite image of the vehicle's surroundings as on-screen guides assist with parking and tight maneuvering.

MARK LEVINSON[®] PREMIUM SURROUND SOUND AUDIO SYSTEM WITH 17 SPEAKERS

Unlock a deeper appreciation of sound with the available 17-speaker, 1,800-watt Mark Levinson^{®32} Premium Surround Sound Audio System. The 2021 IS boasts the uncompromising purity of one of the most sophisticated 3D audio technologies available in an automobile: Quantum Logic[®] Surround. With improved tuning and a new amplifier that delivers twice the power of the previous system, it envelops every passenger in three-dimensional sound that rivals the finest home audio systems. The result? A closer connection to every note that resonates throughout the cabin.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.^{®33} Learn more about these services at lexus.com/specialists.

IS STYLES

IS 300

- Standard features:*
- 241-horsepower² 2.0L turbocharged in-line 4-cylinder engine
 - Eight-speed Direct-Shift transmission with paddle shifters
 - Rear-wheel drive
 - LED headlamps, taillamps and daytime running lights
 - SmartAccess^{34,35} with push-button Start/Stop
 - Double-wishbone-type front suspension and multilink rear suspension
 - 18-in alloy wheels
 - Rain-sensing windshield wipers
 - Electric parking brake
 - Auto-dimming heated outside mirrors
 - Drive Mode Select
 - NuLuxe^{®7} interior trim
 - Eight-way power front seats
 - Dual-zone climate control
 - Lexus Multimedia System³⁶ with eight-inch touchscreen display
 - Remote Touchpad³⁶
 - Voice Command with *Bluetooth*^{®37} and USB³⁸ smartphone connectivity
 - Lexus Enform Safety Connect³⁹ and Service Connect⁴⁰ Included for the first three and 10 years of ownership, respectively.
 - Amazon Alexa¹² compatibility
 - Apple CarPlay^{®3} integration
 - Android Auto^{™4} integration
 - Lexus Enform Wi-Fi. 4GB/three-month trial²⁹ is included.
 - Lexus Enform Remote³⁰ Accessible via Lexus app; works with Amazon Alexa¹² and Hey Google.²¹ Included for the first three years of ownership.
 - Lexus app (Enform Remote engine start, service scheduling, Vehicle Health Reports/Alerts and more)
 - Lexus Safety System+ 2.5¹³ (Pre-Collision System with Pedestrian Detection,¹⁴ Lane Tracing Assist,¹¹ Lane Departure Alert with Steering Assist,¹⁶ Road Sign Assist,¹⁷ All-Speed Dynamic Radar Cruise Control¹⁵ and Intelligent High Beams¹⁸)
 - Blind Spot Monitor⁴¹ with Rear Cross-Traffic Alert⁴²
 - Backup camera⁴³ with dynamic gridlines
 - 10 standard airbags⁴⁴
 - Complimentary scheduled maintenance services.⁴⁵ (Please refer to the *Warranty and Services Guide* for details.)

IS 300 AWD

- Includes IS 300 features, and adds or replaces:*
- 260-horsepower² 3.5L V6 engine
 - Six-speed transmission
 - All-wheel drive

IS 350 F SPORT

- Includes IS 300 features, and adds or replaces:*
- 311-horsepower² 3.5L V6 engine
 - Available rear-wheel or all-wheel drive
 - Performance-inspired instrumentation with sliding bezel
 - F SPORT heated leather-trimmed steering wheel
 - F SPORT bolstered heated and ventilated front seats
 - Embossed interior door trim
 - Black Geometric interior trim
 - Aluminum pedals
 - F SPORT exterior styling, including unique front and rear bumpers, grille surround, lip spoiler and exhaust tips
 - 10-way power-adjustable driver’s seat including lumbar support
 - Four-way adjustable headrests
 - F SPORT 19-in staggered-width alloy wheels with summer (RWD) or all-season (AWD) tires⁵

PACKAGES

COMFORT PACKAGE

- Heated and ventilated front seats
- Heated leather-trimmed steering wheel
- Power tilt-and-slide moonroof

DYNAMIC HANDLING PACKAGE (IS 350 F SPORT)

- Includes IS 350 F SPORT features, and adds or replaces:*
- Drive Mode Select with Sport S/S+ and Custom modes
 - F SPORT-tuned Adaptive Variable Suspension
 - Torsen^{®6} limited-slip rear differential (RWD)
 - A F SPORT heated Ash wood-trimmed steering wheel
 - Ash interior trim
 - SmartAccess^{34,35} card key
 - Carbon fiber rear spoiler
 - 19-in staggered-width Matte Black BBS[®] wheels^{5,10} with summer (RWD) or all-season (AWD) tires

NAVIGATION PACKAGE

- Navigation System²³
- B 10.3-in high-resolution touchscreen multimedia display
- Lexus Enform Destination Assist.⁴⁶ Included for the first three years of ownership.
- Dynamic Voice Command⁴⁷
- Lexus Enform Dynamic Navigation.⁴⁷ Included for the first three years of ownership.

NAVIGATION/MARK LEVINSON^{®32} PACKAGE

- Includes Navigation Package, plus:*
- Mark Levinson^{®32} 17-speaker, 1,800-watt Premium Surround Sound Audio System
 - Machined aluminum control knobs

OPTIONS

- C Premium Triple-Beam LED headlamps
- Power tilt-and-slide moonroof
- Intuitive Parking Assist with Auto Braking⁴⁸ and Rear Cross-Traffic Braking⁴⁹
- Panoramic View Monitor,³¹ Intuitive Parking Assist with Auto Braking⁴⁸ and Rear Cross-Traffic Braking⁴⁹
- Mark Levinson^{®32} 17-speaker, 1,800-watt Premium Surround Sound Audio System

Apple CarPlay is a registered trademark of Apple Inc. **4.** To use Android Auto on your audio display, you'll need an Android Auto-compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/autof/>. Vehicle user interface is a product of Google and its terms and privacy statement apply. Requires compatible smartphone connected with an approved data cable into the USB media port and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android and Android Auto are trademarks of Google LLC. **5.** Tire life may be substantially less than mileage expectancy, depending on driving conditions. **6.** Torsen® is a registered trademark of JTEKT Torsen, Inc. **7.** NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **8.** 2021IS vs. 2020/2021 competitors. Information from manufacturers' websites as of 7/15/2020. **9.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **10.** BBS is a registered trademark of BBS of America, Inc. **11.** Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. **12.** Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Lexus+Alexa app is required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps and services subject to change at any time without notice. To learn more, go to <https://www.lexus.com/enform>. To learn more about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **13.** Lexus Safety System+ 2.5 effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **14.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **15.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **16.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **17.** Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and Navigation System (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. **18.** Intelligent High Beams operate at speeds above 21 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **19.** Spotify is a registered trademark of Spotify Technology Holding. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. Always drive safely and obey traffic laws. **20.** WhatsApp is a registered trademark of WhatsApp Inc. **21.** Google and Google Maps are trademarks of Google LLC. Always drive safely and obey traffic laws. Functionality depends on many factors outside of Lexus' control. Actions and services subject to change at any time without notice. To learn more, go to [lexus.com/enform](https://www.lexus.com/enform). To learn more about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **22.** Certain Alexa functionality is dependent on smart-home technology. Skills and services subject to change at any time without notice. **23.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depend on many factors, and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. **24.** Waze and related marks and logos are registered trademarks of Google LLC. **25.** iPhone is a registered trademark of Apple Inc. All rights reserved. **26.** Always focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. See apple.com and phone carrier for details. Data charges may apply. Siri is a registered trademark of Apple Inc. **27.** Apple Audiobooks is a trademark of Apple Inc. All rights reserved. **28.** Lexus Enform services depend on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Lexus' control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See lexus.com/enform for details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. **29.** Eligible vehicle and wireless service required. Coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/lexus for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Enform Wi-Fi trial begins at the time of activation and expires when 4GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. **30.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Enform Remote depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Lexus' control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual*, and see lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Enform Remote trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. **31.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **32.** Mark Levinson is a registered trademark of Harman International Industries, Inc. **33.** FaceTime is a registered trademark of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **34.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **35.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to www.alo.org to find a qualified locksmith in your area who can perform high-security key service. **36.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. **37.** The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **38.** May not be compatible with all mobile phones, MP3/WMA players and like models. **39.** Lexus Safety Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Lexus' control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual*, and see lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **40.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on an operative telematics device, a cellular connection, GPS signal strength, and other factors outside of Lexus' control, which can limit functionality or availability. Service may vary by vehicle or region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Remote Connect, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. **41.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **42.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **43.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **44.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **45.** Lexus provides complimentary maintenance for your first two scheduled visits. To obtain these services, contact your Lexus dealership. Complimentary services applicable for new Lexus vehicle registered owners and service intervals may vary, depending on model. Please refer to the *Warranty and Services Guide* for details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **46.** Destination Assist depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Lexus' control, which can limit system functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and lexus.com/enform for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **47.** Dynamic Navigation and Dynamic Voice Command are dependent on an operative telematics device, a cellular connection, navigation map data, GPS signal strength, and other factors outside of Lexus' control, which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and lexus.com/enform for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **48.** Intuitive Parking Assist with Auto Brake is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **49.** Do not rely exclusively on the Rear Cross-Traffic Braking system. Always look over your shoulder and use your mirrors to confirm rear clearance. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **50.** EPA-estimated MPG. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **51.** Accessories may vary by model year, not be available in all regions of the country, and/or require placement of a special order. Please see your dealer for accessory availability for your particular vehicle. **52.** For accessories purchased at the time of the new-vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles from the vehicle's in-service date, which is the same coverage as the new-vehicle Basic Warranty. For accessories purchased after the new-vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new-vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus Accessory Limited Warranty or documentation that accompanies accessory purchase for coverage and conditions. **53.** Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **54.** This floor liner or floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner or mat must be secured with its fasteners. Do not install a floor liner or mat on top of an existing floor liner or mat. **55.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **56.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **57.** Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. **58.** Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
