

2022 IS 500 F SPORT PERFORMANCE

## A NEW BREED OF PERFORMANCE

While the IS F SPORT was obsessively engineered to push exhilaration to a 10, the first-ever IS 500 F SPORT Performance dials it up to 11. As the most powerful IS yet, it ushers in a new era of F SPORT with a powerful 5.0-liter naturally aspirated V8, a throaty quad exhaust and exclusive design upgrades inside and out. And combining raw power with rarity, you'll also discover 500 serialized Launch Edition vehicles featuring unique exterior and interior colors, exclusive BBS®<sup>1</sup> wheels and more.

## IS 500 F SPORT PERFORMANCE

### Standard features:

Drive Mode Select with Sport S/S+ and Custom modes

Yamaha® rear performance dampers

Two-piece aluminum 14.0-in front and 12.7-in rear brake rotors

Torsen® limited-slip differential

Quad exhaust tips

Raised front hood

Dark chrome window trim

LED headlamps, taillamps and daytime running lamps

F SPORT-tuned Adaptive Variable Suspension

F SPORT exterior styling, including front and rear bumpers, grille surround and rear spoiler

F SPORT Performance front door-sill scuff plates

F SPORT power-adjustable bolstered heated and ventilated front seats with lumbar support and adjustable headrests

F SPORT heated leather-trimmed steering wheel

Performance-inspired instrumentation with sliding bezel

SmartAccess® with push-button Start/Stop

Lexus Multimedia System® with 8.0-in touchscreen display

Lexus app (Enform Remote engine start, service scheduling, Vehicle Health Reports/Alerts and more)

Lexus Enform Safety Connect<sup>10</sup> and Service Connect<sup>11</sup> Included for the first three and 10 years of ownership, respectively.

Lexus Enform Remote.<sup>9</sup> Accessible via Lexus app; works with Alexa<sup>12</sup> and Hey Google.<sup>13</sup> Included for the first three years of ownership.

Lexus Enform Wi-Fi<sup>14</sup> 4GB/three-month trial is included.

Apple CarPlay<sup>®15</sup> integration

Alexa<sup>12</sup> compatibility

Android Auto<sup>™16</sup> integration

Voice Command with Bluetooth<sup>®17</sup> and USB<sup>18</sup> smartphone connectivity

Active Sound Control

Dual-zone climate control

Lexus Safety System+ 2.5<sup>19</sup> (Pre-Collision System with Pedestrian Detection,<sup>20</sup> Lane Tracing Assist,<sup>21</sup> Lane Departure Alert with Steering Assist,<sup>22</sup> Road Sign Assist,<sup>23</sup> All-Speed Dynamic Radar Cruise Control<sup>24</sup> and Intelligent High Beams<sup>25</sup>)

Blind Spot Monitor<sup>26</sup> with Rear Cross-Traffic Alert<sup>27</sup>

Backup camera<sup>28</sup> with dynamic gridlines

10 standard airbags<sup>29</sup>

Complimentary scheduled maintenance services.<sup>30</sup> (Please refer to the *Warranty and Services Guide* for details.)

## PACKAGES

Launch Edition 19-in seven-spoke forged alloy Matte Black BBS<sup>®</sup> wheels<sup>1</sup>

### LAUNCH EDITION

Limited to 500 serialized vehicles across North America

Exclusive Incognito<sup>38</sup> exterior color

Exclusive Black and Gray Ultrasuede<sup>®</sup>-trimmed<sup>39</sup> seats, door accents and center console

Unique Silver Ash wood interior trim

19-in seven-spoke forged alloy Matte Black BBS wheels<sup>1</sup>

Unique serialized Launch Edition badge

Exclusive "Launch Edition" startup animation in multi-information display

1. Tire life may be substantially less than mileage expectancy, depending on driving conditions. BBS is a registered trademark of BBS of America, Inc. 2. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 3. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. 4. NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 5. Torsen® is a registered trademark of JTEKT Torsen, Inc. 6. The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 7. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to [www.aloa.org](http://www.aloa.org) to find a qualified locksmith in your area who can perform high-security key service. 8. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. 9. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Lexus Enform Remote depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration and Lexus app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and [lexus.com/enform](http://lexus.com/enform) for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Lexus Enform Remote trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. 10. Safety Connect depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Lexus app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and [lexus.com/enform](http://lexus.com/enform) for additional details. To learn about Lexus's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 11. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle or region. Registration required. Subscription required after trial. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and [lexus.com/enform](http://lexus.com/enform) for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Remote Connect, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. 12. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Lexus app and Lexus+Alexa app are both required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps and services subject to change at any time without notice. To learn more, go to <https://www.lexus.com/enform>. To learn more about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. 13. Google is a trademark of Google LLC. Always drive safely and obey traffic laws. Functionality depends on many factors outside of Lexus's control. Actions and services subject to change at any time without notice. To learn more, go to [lexus.com/enform](http://lexus.com/enform). To learn more about Lexus's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. 14. Eligible vehicle and wireless service required. Enform Wi-Fi depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Enform Wi-Fi coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to [att.com/lexus](http://att.com/lexus) for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Enform Wi-Fi trial begins at the time of activation and expires when 4GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. 15. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay is a registered trademark of Apple Inc. 16. To use Android Auto on your audio display, you'll need an Android Auto-compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/autol>. Vehicle user interface is a product of Google and its terms and privacy statement apply. Requires compatible smartphone connected with an approved data cable into the USB media port and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android and Android Auto are trademarks of Google LLC. 17. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 18. May not be compatible with all mobile phones, MP3/WMA players and like models. 19. Lexus Safety System+ 2.5 effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. 20. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. 21. Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. 22. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 23. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and Navigation System (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. 24. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. 25. Intelligent High Beams operate at speeds above 21 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 26. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. 27. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. 28. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 29. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. 30. Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. To schedule these services, contact your Lexus dealership. Please refer to your vehicle's *Warranty and Services Guide* for service details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. 31. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depend on many factors, and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. 32. Destination Assist depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and [lexus.com/enform](http://lexus.com/enform) for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 33. Dynamic Navigation and Dynamic Voice Command are dependent on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and [lexus.com/enform](http://lexus.com/enform) for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 34. Mark Levinson is a registered trademark of Harman International Industries, Inc. 35. Intelligent Parking Assist with Auto Brake is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. 36. Do not rely exclusively on the Rear Cross-Traffic Braking system. Always look over your shoulder and use your mirrors to confirm rear clearance. The system cannot prevent all collisions, and performance is dependent on road, weather, and vehicle conditions. See *Owner's Manual* for additional limitations and details. 37. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 38. IncoGNITO available for an additional charge. 39. Ultrasuede is a registered trademark of Toray Industries, Inc.

Vehicles shown may be prototypes and/or shown with options using visual effects. Actual models may vary. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). ©2021 Lexus, a Division of Toyota Motor Sales, U.S.A., Inc.
