MADE FOR THE MODERN EXPLORER

Engineered to fit in, yet designed to stand out, the versatile UX line touts nimble handling to conquer the city streets and advanced technology to keep you connected.

UXh shown in Nori Green Pearl (left), UX shown in Atomic Silver (middle),
UXh F SPORT shown in Ultra White (right)

UX 250h AWD

- Class-leading 39-MPG combined estimate^{2,3}
- EV drive mode⁴

UX 200

- Lexus-first 10-speed Direct-Shift Continuously Variable Transmission
- 2.0-liter in-line 4-cylinder engine

UX F SPORT MODELS

- Exclusive F SPORT-tuned suspension and 18-inch wheels
- Interior and exterior upgrades, including color-keyed overfenders

UX shown with
Birch/Lapis Nuluxe^{®5} interior trim

**MANY VEHICLES FIT FIVE.
BUT HOW MANY FIT YOU?**

With versatile cargo⁶ storage options and ample cabin space to fit everything and everyone, the UX is always ready for the unexpected.

DESIGN

UXh F SPORT shown in
Ultrasonic Blue Mica 2.0*

- Available color-keyed overfenders
- Available F SPORT front seats with enhanced bolsters
- Available heated and ventilated seating
- Available LED-illuminated air-vent knobs
- Available *washi* trim. This unique trim is crafted to mimic the soft grain of Japanese paper.

UX STYLES

UX 200

Standard features include:

- SmartAccess^{24,25} with push-button Start/Stop
- Drive Mode Select with Sport, Normal and ECO drive modes
- Apple CarPlay^{®10} integration
- Android Auto^{™13} compatibility
- Alexa¹² compatibility
- Lexus app (Enform Remote²⁶ engine start, service scheduling, Vehicle Health Reports/Alerts and more)
- Lexus Enform Wi-Fi:²⁷ 4GB/three-month trial is included.
- Lexus Enform Safety Connect,²⁸ Service Connect,²⁹ Remote,²⁶ Wi-Fi Trials.²⁷ Subject to availability of 4G network. See lexus.com for details.
- Bluetooth^{®30} connectivity and four USB¹⁴ ports
- Dual-zone automatic climate control with interior air filter
- Eight-way power-adjustable front seats with two-way driver lumbar support
- 60/40-split folding rear seats
- Blind Spot Monitor³¹ with Rear Cross-Traffic Alert³²
- Backup camera³³
- Lexus Safety System+ 2.0²¹

View all standard features and configure yours at lexus.com/UXBuild

UX 200 LUXURY

Includes UX 200 features and Premium Package, plus:

- Lexus Memory System for driver's seat and outside mirrors
- Wirelessly powered LED-illuminated air-vent knobs
- Aluminum front door-sill scuff plates
- Power-folding outside mirrors with auto tilt-down in reverse and driver's-side auto-dimming functionality
- Acoustic front side glass
- Power Rear Door with Kick Sensor¹¹
- Color-keyed overfenders

UX 250h AWD

Includes UX 200 features, and adds or replaces:

- 181-total-system-horsepower in-line 4 + Lexus Hybrid Drive with ECVT transmission
- Electronic all-wheel drive⁸
- Concealed exhaust
- EV drive mode⁴
- Adjustable rear cargo deckboard

UX 250h LUXURY AWD

Includes UX 250h AWD features and Premium Package, plus:

- Lexus Memory System for driver's seat and outside mirrors
- Wirelessly powered LED-illuminated air-vent knobs
- Aluminum front door-sill scuff plates
- Power-folding outside mirrors with auto tilt-down in reverse and driver's-side auto-dimming functionality
- Acoustic front side glass
- Power Rear Door with Kick Sensor¹¹
- Color-keyed overfenders

UX 200 F SPORT

Includes UX 200 features, and adds or replaces:

- F SPORT-tuned suspension
- LED foglamps and cornering lamps
- Performance-inspired instrumentation with sliding bezel; 8.0-in color multi-information display
- F SPORT exterior and interior styling including unique grille and front and rear bumpers, bolstered front seats, perforated leather-trimmed steering wheel and more
- F SPORT 18-in split-five-spoke alloy wheels with run-flat tires³⁴

FIND A DEALER

VIEW LEXUS OFFERS

WARRANTY Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. Eight-year/100,000-mile Hybrid System Warranty. Ten-year/150,000-mile Hybrid Battery Warranty. All warranties with zero deductible. See the *UX Warranty and Services Guide* at your Lexus dealer for details.

1. Ultra White, Ultrasonic Blue Mica 2.0 and Cadmium Orange available for an additional charge. **2.** 2022 UX 250h vs. 2021/2022 competitors. Excludes plug-in luxury hybrid vehicles. Based on projected EPA-estimated MPG ratings for 2022 Lexus UX 250h AWD determined by manufacturer and information from fueleconomy.gov as of 6/21/2021. **3.** Projected EPA-estimated MPG rating 41city/38hwy/39comb estimates for 2022 Lexus UX 250h AWD determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **4.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your *Owner's Manual* for additional limitations and details. **5.** NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **6.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **7.** 2022 UX vs. 2021/2022 competitors. Information from manufacturers' websites as of 5/17/2021. **8.** UX AWD system operates at speeds up to 43 mph. **9.** Predictive Efficient Drive Systems require a destination entry in the Navigation System for use. See *Owner's Manual* for additional limitations and details. **10.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay and iPhone are registered trademarks of Apple Inc. **11.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations. **12.** Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Lexus app and Lexus+Alexa app are both required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps and services subject to change at any time without notice. To learn more, go to <https://www.lexus.com/enform>. To learn more about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **13.** To use Android Auto on your audio display, you'll need an Android Auto-compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/autof/>. Vehicle user interface is a product of Google and its terms and privacy statement apply. Requires compatible smartphone connected with an approved data cable into the USB media port and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android and Android Auto are trademarks of Google LLC. **14.** May not be compatible with all mobile phones, MP3/WMA players and like models. **15.** Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and Navigation System (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. **16.** Intelligent High Beams operate at speeds above 21 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **17.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **18.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, pedestrian or bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **19.** Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. **20.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **21.** Lexus Safety System+ 2.0 effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **22.** Subject to loaner vehicle availability at Service Dealership. **23.** Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. To schedule these services, contact your Lexus dealership. Please refer to your vehicle's *Warranty and Services Guide* for service details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **24.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **25.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to www.alo.org to find a qualified locksmith in your area who can perform high-security key service. **26.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Lexus Enform Remote depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration and Lexus app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **27.** Eligible vehicle and wireless service required. Enform Wi-Fi depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Enform Wi-Fi coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/lexus for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Enform Wi-Fi trial begins at the time of activation and expires when 4GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. **28.** Safety Connect depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Lexus app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **29.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle or region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **30.** The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **31.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **32.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **33.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **34.** UX 200, UX 250h and F SPORT models come standard with run-flat tires—there is no spare tire. **35.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **36.** Projected EPA-estimated MPG ratings determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **37.** The Adaptive Front Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain will limit effectiveness, requiring the driver to manually turn off the system. See *Owner's Manual* for additional limitations and details. **38.** HomeLink and the HomeLink® house icon are registered trademarks of Genx Corporation. **39.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **40.** Intuitive Parking Assist with Auto Brake is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **41.** Do not rely exclusively on the Rear Cross-Traffic Braking system. Always look over your shoulder and use your mirrors to confirm rear clearance. The system cannot prevent all collisions, and performance is dependent on road, weather, and vehicle conditions. See *Owner's Manual* for additional limitations and details. **42.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depend on many factors, and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. **43.** Dynamic Navigation and Dynamic Voice Command are dependent on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and lexus.com/enform for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **44.** Destination Assist depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and lexus.com/enform for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **45.** For accessories purchased at the time of the new-vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles from the vehicle's in-service date, which is the same coverage as the new-vehicle Basic Warranty. For accessories purchased after the new-vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new-vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus Accessory Limited Warranty or documentation that accompanies accessory purchase for coverage and conditions. Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **46.** This floor liner or floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner or mat must be secured with its fasteners. Do not install a floor liner or mat on top of an existing floor liner or mat. **47.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **48.** Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. **49.** Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **50.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
