THE 2012 LS LINE
LS 460 (RWD or AWD) 4.6-liter V8, eight-speed sequential-shift automatic transmission, 18-in 10-spoke alloy wheels, multi-link suspension and 380 horsepower

LS 460 Sport (RWD) 4.6-liter V8, eight-speed sequential-shift automatic, 19-in forged alloy wheels, Brembo® brakes, sport-tuned air suspension and 380 horsepower

LS 460 L (RWD or AWD) 4.6-liter V8, eight-speed sequential-shift automatic, 18-in 10-spoke alloy wheels, multi-link suspension, long wheelbase and 380 horsepower

LS 600h L (AWD) 5.0-liter V8 + high-output electric-drive motor, Electronically controlled Continuously Variable Transmission (ECVT), 19-in seven-spoke alloy wheels, long wheelbase and 438 total system horsepower

VEHICLES SHOWN WITH AVAILABLE EQUIPMENT.
The all-wheel drive system available on the LS Line—including the LS 600h L, the world's first all-wheel drive V8 hybrid—distributes power to the wheels with the best grip. This helps improve traction and control while delivering the driver greater command during acceleration and cornering.

When developing the current-generation LS, engineers conducted numerous driving simulations to determine the ideal transmission for its 4.6-liter, 380-horsepower V8 engine. One that would offer the optimal blend of acceleration, fuel efficiency and fast, smooth shifting. Their conclusion: It hadn’t been invented yet. Countless hours, two gears and one monumental step later, the world’s first eight-speed automatic transmission emerged. Delivering all of the above, it offers a 0-to-60 time of 5.4 seconds. Isn’t progress fun?
Vehicles shown with available equipment.

An experience that’s second-to-none requires craftsmanship and innovation of the same caliber. For instance, to ensure you and your passengers are well cared for, the LS features an available rear-seat cool box, soft leather trim that is among the finest in the industry and exquisite wood accents that are hand-selected for consistency throughout the cabin. To help you arrive sooner, available NavTraffic™5,6 and NavWeather™5,6 can provide real-time traffic and weather updates to the available Navigation System. And, to assist you once you arrive, an available Advanced Parking Guidance System7 can help you parallel park or back into spaces without touching the steering wheel.

LEXUS ENFORM®10,11 WITH SAFETY CONNECT®

Featuring everything from live, en route navigation assistance with finding top restaurants to the ability to request emergency services at the press of a button—or even in some cases, automatically—this available GPS-enabled service offers drivers the pinnacle of both convenience and care. For more information, please visit lexus.com/LS/enform.

EXECUTIVE-CLASS SEATING PACKAGE*

To help you make the most of the longer wheelbase on the LS 460 L and LS 600h L, this available package replaces the rear bench with two individual seats. The right-rear seat has power-reclining capability and includes amenities such as a swiveling console table, built-in ottoman-style leg rest8,9 and an indulgent shiatsu massager. Learn more at lexus.com/LS/exec.

*See inside back cover for more information regarding options/packages.
With immense power, an exclusive sport-tuned suspension and the same eight-speed paddle-shifting transmission found in the IS F, the LS 460 Sport has a way of making you forget you’re sitting in the lap of luxury. Add in 19-inch forged alloy wheels, Brembo performance brakes, downshift rev-matching and distinctive design elements like a perforated Black and Saddle Tan leather-trimmed interior with bolstered front sport seats, and it may change your definition of luxury altogether.

LS 460 SPORT INTERIOR DETAILS
Among its exclusive details, the LS 460 Sport features Black and Saddle Tan perforated leather interior trim, matte dark brown ash burl wood interior accents and a Sport leather-trimmed steering wheel with paddle shifters.
Its designations as the world’s first premium prestige luxury and AWD V8 hybrid are just two of the ways the LS 600h L has set itself apart from the competition. By pairing a 5.0-liter V8 gasoline engine with advanced hybrid technology, it’s remarkably efficient while delivering 438 total system horsepower. About what you’d get from a far less considerate 6.0-liter V12. At the same time, its acceleration is exceptionally smooth, quiet and, with a 0-to-60 time of 5.5 seconds, exhilarating. Combine this type of performance with our finest amenities, and you’ll realize we didn’t just set out to create the finest hybrid vehicle. We set out to create the finest vehicle, period.

**Thin Film Transistor Display**

The instrument cluster in the LS 600h L uses a crisp Thin Film Transistor display to provide the driver with a variety of information, from turn-by-turn directions and hybrid energy consumption to menus where you can personalize settings for your vehicle.

**LED Headlamps**

The LS 600h L features the world’s first low-beam LED headlamps. In addition to providing improved efficiency and an extended life, they illuminate faster, brighter and offer greater light distribution than headlamps equipped with conventional bulbs.

**Hybrid Leadership**

Lexus introduced the world’s first luxury hybrid more than six years ago. Now, with more than 94% of all luxury hybrids on the road today, nearly six billion miles and six generations of hybrid technology behind us, our commitment to creating the most advanced luxury hybrid vehicles in the world couldn’t be stronger.
FORWARD-LOOKING in every way

Engineering the vehicles of the future sometimes requires engineering ways to see into it. Available Dynamic Radar Cruise Control is designed to automatically reduce your speed and even apply the brakes to help maintain a pre-set following distance from a vehicle traveling ahead. And, to help illuminate more of the road while cornering, the Adaptive Front Lighting System pivots the left headlamp up to 20 degrees and the right up to 10 degrees. Available intelligent near-infrared illumination to continuously monitor the position of your face. If your face is turned away from you, you’re instantly alerted.

**ADVANCED PRE-COLLISION SYSTEM**

The available Advanced Pre-Collision System (APCS)\(^{18}\) can detect an imminent frontal collision and, while retractioning the seatbelt, automatically prepare Brake Assist to provide increased braking pressure the moment you forcibly step on the brake pedal. The system can retracting the seatbelt, automatically prepare Brake Assist to help reduce vehicle speed.

**LANE KEEP ASSIST**

Part of the available Advanced Pre-Collision System, Lane Keep Assist with Lane Departure Warning uses a camera to monitor visible lane markings. When the system determines you are drifting, it can warn you then take corrective measures to help steer you back into the lane.

**DRIVER ATTENTION MONITOR**

Available Driver Attention Monitor uses a camera and near-infrared illumination to continuously monitor the position of your face. If your face is turned away from the road when the LS’s radar detects an object ahead, you’re instantly alerted.

SAFETY AND SECURITY FEATURES

ACTIVE SAFETY

Vehicle Dynamics Integrated Management (VDIM™) with Vehicle Stability Control (VSC)® and Traction Control (TRAC)

Four-wheel ventilated power-assisted disc brakes with Electronic Controlled Braking (ECB), four-channel Anti-lock Braking System (ABS), Brake Assist® and Electronic Brakeforce Distribution (EBD)

Smart Stop Technology®

Direct Tire Pressure Monitor System®

Four-wheel ventilated power-assisted disc brakes

Laminated side glass (LS 460 L, LS 600h L) and water-repellent front-door glass

Rain-adjustable auto-fold exterior mirrors with turn indicators, defoggers, puddle lamps and auto down in reverse

Rain-sensing intermittent windshield wipers with mist cycle and deicer (LS 600h L)

Power rear sunshade (LS 460 L, LS 600h L); power rear-door sunshades (LS 600h L)

Advanced Parking Guidance System® (LS 600h L)

Intuitive Parking Assist (LS 460 L, LS 600h L)

Scratch-resistant clearcoat paint

SEATING AND TRIM

Medium brown walnut, dark gray bird’s-eye maple or matte dark brown ash finish

Leather trim in interior (LS 460, LS 600h L), semi-aniline leather-trimmed interior with Alcantara® headliner and leather-trimmed instrument panel (LS 600h L)

Heated steering wheel (AWD models, LS 460 L, LS 600h L)

Wood-trimmed interior assist grips (LS 600h L)

Bi-driver’s (including dual-function/lumbar) with auto slide-away and 12-way front passenger’s (including lumbar) power seats

Climate comfort front seats with heat and cool knob (LS 460 L, LS 600h L)

12-way front passenger’s (including lumbar) power seats

16-way driver’s (including dual-function lumbar) with auto slide-away and power tilt-and-telescopic steering column

Intuitive Parking Assist (LS 460 L, LS 600h L)

Advanced Parking Guidance System®

Passive Safety

Driver’s and front passenger’s airbag systems (SRS)® with front passenger’s twin-chamber airbag (SRS)®

Front seat-mounted side airbags (SRS)®

Driver’s and front passenger’s knee airbags (SRS)®

Front and rear side curtain airbags (SRS)®

Advanced active front headrests®

Three-point seatbelts for all seating positions, pre-tensioners with force limiters for front and outboard rear seats

Automatic Locking Retractor/Emergency Locking Retractor (AILR/ELR) only for driver’s seat

Height adjustable front shoulder belt anchors

Child Restraint Seat (CRS) tether anchor brackets for rear outboard seating positions

Highly rigid body structure with front and rear crumple zones

Side-impact door beams

Reinforcements in pillars and door sills

Impact-disrupting upper interior trim

Collapsible steering column

SECURITY

Safety Connect® features Automatic Collision Notification, Stolen Vehicle Location, Emergency Assistance Button (SOS)® and Enhanced Roadside Assistance services. Subscription required. One-year trial subscription included.

Vehicle theft-deterrent and engine immobilizer system®

Emergency interior trunk release

First aid kit

Tool kit

**OPTION PACKAGES**

**SPORT PACKAGES** (RWD only)
- Brembo brake*  
- 19-in split 10-spoke forged alloy wheels with summer tires*  
- Sport-tuned a/v suspension with VGRS* • Sport exterior trim and grille  
- Black with Saddle Tan accent perforated leather interior trim, matte dark brown with burled wood interior trim, Sport front seats and heated Sport steering wheel with paddle shifters

**COMFORT PACKAGE**
- Wood- and leather-trimmed heated steering wheel (standard on AWD)  
- Climate comfort front seats with heated/cool通风, heated rear seats  
- Intuitive Parking Assist • Power rear sunshade • Headlamp washers  
- Power door closers and one-touch power trunk open/close

**COMFORT PLUS PACKAGE**
- Includes all Comfort Package features plus  
- Semi-auto low-back heated interior  
- Climate-comfort power rear seats with power-adjustable butterfly rear headrests, memory and power lumbar massage and adjustment for outboard seats  
- Rear-seat side airbags (SRS)*

**NAVIGATION SYSTEM/MARK LEVINSON REFERENCE SURROUND SOUND AUDIO SYSTEM PACKAGE**
- HHD Navigation System* including voice command, color LCD display and Enhanced Bluetooth technology*  
- Lexus Enform^sm ^sm ^sm Fire/ Destination Assist, and Destination Lexus Insider  
- Subscription required. One-year trial subscription included  
- NavTraffic™, NavWeather^sm and Sports and Stocks^sm Subscription required  
- 90-day trial subscription included  
- Mark Levinson 19-speaker Reference Surround Sound Audio System^sm with in-dash, single-feed, six-disc DVD/CD auto-changer

**NAVIGATION SYSTEM/MARK LEVINSON REFERENCE SURROUND SOUND SYSTEM ADVANCED PARKING GUIDANCE SYSTEM PACKAGE**
- Includes all Navigation System/Mark Levinson Reference Surround Sound Audio System Package features plus  
- Advanced Parking Guidance System^sm

**OPTION PACKAGES**

**LUXURY PACKAGE**
- Semi-aniline leather-trimmed interior with Alcantara headliner  
- Power rear-door sunshades

**REAR-SEAT UPGRADE PACKAGE**
- Includes all Luxury Package features plus  
- Four-zone automatic climate control with interior air filter, smog sensor, automatic recirculation mode, rear-seat Air Purifier and cool box  
- Climate-comfort power rear seats with power-adjustable butterfly rear headrests, memory and power lumbar massage and adjustment for outboard seats  
- Rear-seat audio controls  
- Rear-seat side airbags (SRS)*

**EXECUTIVE-CLASS SEATING PACKAGE (Special order only)**
- Includes all Rear-Seat Upgrade Package features plus  
- Four-person seating with rear fixed console*  
- Rear-seat infrared temperature sensor for four-zone climate control  
- Right-rear power recliner with multifunction massage, adjustment and leg rest^sm  
- Rear-seat wood-trimmed table  
- Rear-Seat Entertainment System (RSES) with power nine-inch screen and wireless headphones^sm

**APPAREL PACKAGE**
- 19-in five-spoke alloy wheels (RWD)^sm  
- Sport exterior trim and grille

**COLD WEATHER PACKAGE**
- Windshield-wiper deicer  
- Enhanced interior heater  
- Higher-capacity battery

**OPTION PACKAGES**

**PREMIUM PACKAGE II**
- Four-zone automatic climate control with interior air filter, smog sensor, automatic recirculation mode and rear-seat Air Purifier  
- Rear-seat side airbags (SRS)^sm  
- Climate-comfort power rear seats with power-adjustable butterfly rear headrests, memory and power lumbar massage and adjustment for outboard seats  
- Rear-Seat Entertainment System (RSES) with power nine-inch screen, outboard seats

**EXECUTIVE-CLASS SEATING PACKAGE II**
- Includes all Premium Package II features plus  
- Four-person seating with rear fixed console*  
- Rear-seat infrared temperature sensor for four-zone climate control  
- Climate-comfort power rear seats with power-adjustable butterfly headrests, memory and left-rear power lumbar massage and adjustment  
- Right-rear power recliner with multifunction massage adjustment and leg rest^sm  
- Rear-seat wood-trimmed table  
- Rear-seat side airbags (SRS)*

**OPTIONS AND ACCESSORIES**

**PREMIUM PACKAGE II**
- Adaptive Variable Air Suspension (AVS)^sm and Variable Gear Ratio Steering (VGRS)^sm  
- Mark Levinson 19-speaker 450-watt@ less than 0.1% THD, 20–20,000 Hz^sm Reference Surround Sound Audio System^sm with in-dash, single-feed, six-disc DVD/CD auto-changer (LS 460 L)

WARRANTY

Four-year/50,000-mile Lexus Limited Warranty. Eight-year/100,000-mile Hybrid System Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the LS or LSh Warranty and Services Guides at your Lexus dealer for details.

1. 18-in and 19-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending on driving conditions.
2. Ratings achieved with the premium recommended unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease.
3. High-friction brakes require periodic inspection and measurement as outlined in the Warranty and Services Guide. The pads and rotors are expected to experience greater wear than conventional brakes. Pad life may be less than 20,000 miles, and brake rotor life may be less than 50,000 miles, depending on driving conditions.
4. Figures are for comparison only and were obtained with prototype vehicles by professional drivers using standard equipment and procedures. Do not attempt.
5. Availability and accuracy of the information provided by the Navigation System or any SiriusXM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services are not available in every city or roadway. Periodic Navigation updates available at additional cost. Please see your Navigation System Owner’s Manual for details. 6. SiriusXM services require a subscription after trial period. Subscriptions governed by SiriusXM Customer Agreement available at siriusxm.com. If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-800-967-2346 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and Canada or in other countries outside the United States for further details.
6. Lexus strives to build vehicles to match customer interest, and thus they are built with popular options and option packages. Not all options/packages are available separately, and some options may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, are for mainland U.S.A. vehicles only. Some vehicles shown with available equipment. See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.

Vehicle Stability Control and Vehicle Dynamics Integrated Management are electronic systems designed to help the driver maintain vehicle control under adverse conditions. They are not substitutes for safe and attentive driving. System effectiveness depends on many factors. Please see your Owner’s Manual for further information.

Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake system maintenance and tire and road conditions. The Driver Attention Monitor is designed to alert the driver if a potential hazard is detected ahead and the driver’s face appears to be turned away. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors. Please see your Owner’s Manual for further information.

2012 EPA-estimated mileages. Actual miles will vary. 23. Trunk space is reduced with this package, see specifications. 24. The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 25. The idle stop system is a state-of-the-art system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key or SmartAccess fob matches the code in the vehicle’s immobilizer. Because the transponder chip is embedded in the key or SmartAccess fob, it can be costly to replace. If you lose a key or SmartAccess fob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. 26. Coverage only available in the continental U.S. and Canada. Please see your Lexus dealer for details. 27. The backup camera does not provide a comprehensive view of the rear of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 28. The Bluetooth technology phones listed on lexus.com have been tested for compatibility with Lexus vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Lexus. The Bluetooth word mark and logo are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. Other trademarks and trade names are those of their respective owners. 29. Mark Levinson is a registered trademark of Harman International Industries, Inc. 30. Lauren Bacall is a registered trademark of Lauren Bacall. 31. Vehicle Stability Control (VSC) and Vehicle Dynamics Integrated Management (VDIM) are electronic systems designed to help the driver maintain vehicle control under adverse conditions. They are not substitutes for safe and attentive driving. System effectiveness depends on many factors. Please see your Owner’s Manual for further details.

15. Dynamic Brake Assist (DBA) is designed to help the driver maintain vehicle control under adverse conditions. They are not substitutes for safe and attentive driving. System effectiveness depends on many factors. Please see your Owner’s Manual for further information.

26. Average power, all channels driven, at less than 0.1% THD; 20–20,000 Hz. 27. The Driver Attention Monitor is designed to alert the driver if a potential hazard is detected ahead and the driver’s face appears to be turned away. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors. Please see your Owner’s Manual for further information.

To decrease the risk of injury from an inflating ABS, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not install objects in front of an ABS or around the seatback. Do not use a rearward-facing child seat in any passenger seat. This feature may be designed for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle. 41. Currently only available pre-installed on select vehicles. Ask your Dealer Sales Consultant for vehicle application.
