Going boldly like no crossover before it, the first-ever NX is ready to take on whatever urban adventure awaits. From the rigorous get-around-town performance to its striking stance, you’ll find the NX at the intersection of high drivability and high design. And taking this performance and design to the next level, the NX 200t F SPORT features a more responsive sport-tuned suspension, an aggressive front fascia and exclusive details.
Don’t stay within the lines. Make your own. Echoing the sculptural appeal of contemporary architecture, the faceted lines of the NX flow from exterior to interior, where you’ll be connected to intuitive technologies and surrounded by purposeful design. And in the NX 200t F SPORT, you’ll enjoy bold features such as enhanced bolstered front sport seats, contrast stitching and the added control of race-inspired paddle shifters.
THE NX 200t MAKES THE MOST OUT OF EVERY CUBIC INCH OF ITS 2.0-LITER ENGINE, AND THEN SOME. RELYING ON THIS HIGHLY EVOLVED TWIN-SCROLL TURBOCHARGER TECHNOLOGY AND THE ABILITY TO SEAMLESSLY MOVE BETWEEN CONVENTIONAL AND ATKINSON CYCLES, YOU’LL EXPERIENCE QUICK ACCELERATION AND GREATER EFFICIENCY AS YOU CRUISE THROUGH TOWN.
Comfort knows no bounds in the NX. Whichever seat you’re in, you’ll enjoy the convenience of its five-door access and clever details found throughout the vehicle. Enjoy the expansive views offered by its available outer-sliding moonroof. Or take advantage of the ample legroom of its stadium-like rear seats that offer available first-in-class power-folding and reclining functionality. Either way, you’ll find that the NX offers a whole new way to experience the everyday.
YOUR TOUCH IS ITS COMMAND.

BLENDING INNOVATION WITH INTUITION, THE ALL-NEW AVAILABLE REMOTE TOUCHPAD® IS YOUR VIRTUAL ROAD MAP TO TOTAL CONTROL OVER THE NX. FEATURING AN AMPLE TOUCH SURFACE AREA AND UTILIZING SMARTPHONE-LIKE GESTURES SUCH AS SWIPE AND PINCH-TO-ZOOM, IT OFFERS EASY ACCESS TO MULTIMEDIA, CLIMATE CONTROL, DIRECTIONS AND MORE.
This is more than the promise of tomorrow. It’s the solution for today. Building on the Lexus history of providing industry-leading eco-technologies, the NX 300h continues to raise the bar for the hybrid category. Featuring an available all-wheel drive system so innovative it can adapt to the angle or condition of the road, the NX 300h utilizes regenerative braking and other advancements that offer seamless hybrid efficiency and performance—all delivered in a breathtaking package.
MULTI-INFORMATION DISPLAY

The full-color multi-information display within the gauge cluster allows you to quickly and easily read the data you need for optimum performance. In addition to basics like drive mode, currently selected gear and odometer information, the F SPORT model also gives you a view of exclusive performance data including a G-force and turbo-boost gauge. And this in-dash display offers multimedia linkage so that you can view incoming calls, current song titles and more.

ADVANCED ILLUMINATION

See and be seen from nearly every angle with the sleek lighting found throughout the NX. The available Premium Triple-Beam LED headlamps are as functional as they are striking. The unique door handle LEDs deliver a sophisticated entrance into the cockpit. And ensuring you get noticed whether you’re coming or going, the rear LED combination lamps feature a high-contrast design and ultra-crisp turn-signal lamps.

LEXUS ENFORM APP SUITE

The available subscription-free Lexus Enform App Suite13 uses your compatible smartphone to give you in-vehicle access to some of your favorite mobile applications. You can order movie tickets from the console, personalize your Pandora®14 playlist and even make dinner reservations. Learn more at lexus.com/enform.

Qi-COMPATIBLE CHARGER

Don’t let the hassle of cords slow you down. The advanced inductive technology of the all-new available Qi-compatible® charger tray allows you to wirelessly charge your compatible smartphone or device. Conveniently located in the center console box—so that your personal technology stays within reach—the charger also features an indicator light to notify you when your device is fully charged.

DRIVE MODE SELECT

Drive Mode Select allows you to choose between up to four driving modes, each designed to match your need for responsiveness or efficiency. On the NX 300h, the EV mode9 operates on battery alone at low speeds and short distances, and eliminates emissions. ECO mode moderates throttle response and engine power for increased fuel efficiency. Craving more edge? Choose Sport mode for more dynamic throttle and steering response and, in the hybrid, maximized motor voltage.

CARGO SPACE

Getting around is made all the more enjoyable when you consider the convenience delivered by the five-door access and up to 54.6 cubic feet of cargo space15 offered by its 60/40-split folding rear seat. So whether you’re using the available power rear door to load your weekend getaway bag into the ample cargo area15 or strapping your gear to the available aluminum roof rails,16,17 the NX is the ideal companion for any adventure.

LEXUS ENFORM REMOTE

In vehicles equipped with Navigation, the new available Lexus Enform Remote® mobile app can remotely start the engine, lock and unlock doors, check the status of doors and windows as well as your fuel level, and can help find your vehicle’s location in a parking lot. And, should you loan your NX to another driver, you can receive instant alerts if, for example, a preset speed or mile limit is exceeded. Lexus Enform Remote® is complimentary for the first year of ownership. Learn more at lexus.com/enform.

VISIBILITY TECHNOLOGY

The available technologies in the NX let you navigate, back up and park in the city with ease. The available Dynamic Radar Cruise Control10 uses radar technology to sense the speed of vehicles in front of you, automatically reduce the throttle, and even apply the brakes, when necessary. And once you’ve arrived, the available Intuitive Parking Assist11 makes traditional, parallel and even narrow parking a breeze.
