More expressive craftsmanship.
More driver-inspired technology.
More uncompromising versatility.

Experience even more of what makes the RX the leading luxury SUV of all time.

The 2020 Lexus RX
The 2020 RX

RX 450h
Offering the best of all worlds, the 2020 RX Hybrid pairs a potent V6 engine with powerful electric motors for an impressive 308 total system horsepower and a 30-MPG combined EPA estimate, along with all-wheel drive performance.

RX F SPORT MODELS
Take the RX 350 and RX 450h to the next level with bold interior and exterior styling, including exclusive F SPORT components, a redesigned lower front spoiler and 20-inch alloy wheels with Dark Graphite finish. For added exhilaration, the F SPORT models also offer a more advanced Adaptive Variable Suspension, enhanced steering and Sport S+ drive mode.

RX 350
With a more dynamic front fascia, the 2020 RX 350 boasts a 295-horsepower 3.5-liter V6 engine with eight-speed automatic transmission. Every RX features a suite of premium technologies, including new Amazon Alexa compatibility, a touchscreen and available color Head-Up Display. As well as new Android Auto™ and Lexus Safety System+ 2.0, which includes pre-collision detection and pedestrian detection. Front-wheel drive or available all-wheel drive.

RX 450 h
Offering the best of all worlds, the 2020 RX Hybrid pairs a potent V6 engine with powerful electric motors for an impressive 308 total system horsepower and a 30-MPG combined EPA estimate, along with all-wheel drive performance.

RX L / RX 450hL
Enjoy the RX in a sleek and stylish three-row crossover. Both models offer ample cargo space and third-row comforts that include power-folding seats and dedicated climate control. Seats six with captain’s chairs (standard on RX 450hL, available on RX 350L) or seven with second-row bench seating (standard on RX 350L) Front-wheel drive (standard on RX 350L), or all-wheel drive (standard on RX 450hL, available on RX 350L).
RX shown with Noble Brown leather and Gray Sapele wood with Aluminum interior trim
RX F SPORT shown in Ultra White with Circuit Red NuLuxe™ and Scored Aluminum interior trim.
RX F SPORT shown in Atomic Silver
With a distinct floating roofline and unapologetic accents, the RX makes a statement even before you arrive. This confident crossover delivers daring illumination with new, thinner available Premium Triple-Beam LED headlamps that feature an eye-catching L shape, as well as redesigned taillamps. Plus, the three-row RXL features uncompromised styling with added passenger capacity.

**DESIGN BEYOND LUXURY**

Sleeker and more sophisticated than ever before, the 2020 RX features a redesigned front fascia, elegant character lines, and more expressive headlamps and taillamps.
PUSHING THE LIMITS OF SPACE AND STYLE

Discover refined styling, comfort and a larger interior with the seven-passenger RX 350L.

While it boasts the same powerful stance, signature floating roofline and distinctive wraparound LED taillamps as the five-passenger RX, the RXL features one noteworthy addition: a power-folding third row. Crafted to impress as much for its seamless function as for its striking form, it incorporates class-leading cargo space and seating for up to seven in the RX 350L and up to six in the RX 450hL.^[1]
With room for up to seven passengers in the RX 350L and six in the RX 450hL, you can take on all of life’s curves. Whether it’s taking a couple more kids to practice, driving your colleagues to lunch, or making room for your latest antiquing find, the three-row RXL has you covered.

POWER-FOLDING SEATS
For easy access, simply tilt and slide the second-row seat and step into the inviting third row. Plus, both the RX 350L and RX 450hL feature power-folding third-row seats with a 50/50 split for added versatility.

CLASS-LEADING CARGO SPACE
Even with the third row up, the RX 350L and RX 450hL both have more cargo space than our competitors. So you’ll have plenty of room for the weekend’s purchases—and then some. For added convenience, a new Power Rear Door with Kick Sensor is also offered. Simply kick your foot under the rear bumper to open or close.

THREE ROWS. ENDLESS ADVENTURES.
Embrace the unexpected with power-folding third-row seats and class-leading cargo space.
With available six- or seven-passenger seating, the RXL offers the ultimate luxury: flexibility.

Why take two cars when you can take one? The RX 350L and RX 450hL are designed to ensure everyone can come along for the ride. With available supple leather-trimmed seats, plenty of legroom and dedicated third-row climate control, the longer the road trip, the better.

CAPTAIN’S CHAIRS
Ready to take second-row comfort to first-class standards? Now you can, with luxurious available captain’s chairs. This configuration seats six and creates an aisle that accentuates the inviting feel of the cabin. Meanwhile, a tilt-and-slide seat feature makes access to the third row even more convenient.

RXL shown with Parchment leather and Gray Sapele wood with Aluminum interior trim and captain’s chairs.
INTERIOR DESIGN

Crafted with attention to even the smallest details, the RX is filled with an abundance of distinctive extras.

AMBIENT LED ILLUMINATION
Adding intrigue to the interior, available ambient LED lighting brightens and dims in a coordinated series to welcome the driver into the RX. Soft lighting also illuminates the area surrounding the vehicle the moment you approach, for added visibility and peace of mind.

HEATED AND VENTILATED SEATING
Taking luxury further, the available heated and ventilated front seats offer heaters and fans in the seat cushions to provide optimum comfort, regardless of the weather. Heated second-row outboard seats are also available in all RX models, including the three-row RX.

MULTI-ZONE CLIMATE CONTROL
Customize the climate around you. Individual settings allow the driver and front passenger to adjust their preferred temperatures. Plus, the RX 350L and RX 450hL feature dedicated climate control for passengers in the third row. To help ensure the cabin stays fresh, an available smog-sensing climate-control system automatically switches into recirculation mode if it senses high levels of pollutants outside.
CUTTING-EDGE CRAFTSMANSHIP

A renowned eye for detail, precision-crafted Yamaha® wood accents and hand-selected leather trim come together to create our most refined RX yet.

Art meets technology as handcrafted trim undergoes a meticulous process by expert takumi craftsmen. The available Yamaha Gray Sapele wood is created by the same artisans responsible for producing some of the world’s finest musical instruments. This artful trim marries the natural expression of fine wood with the clean sophistication of brushed aluminum as the opposing materials are layered upon each other. Laser technology then engraves the wood surface to reveal the metallic lines underneath. An available perforated semi-aniline leather-trimmed interior elevates every drive, while convenient power-folding and -reclining second-row seats offer easy versatility in the RX 350 and RX 450h. In addition, power-folding seats are standard in the third row of the RX 350L and RX 450hL.
TECHNOLOGY
BEYOND TODAY

Android Auto functionality. Amazon Alexa compatibility. A convenient, new touchscreen and much more. This is the most connected RX yet.

See more and do more with advanced technology that’s right at your fingertips. With new Android Auto™ you’ll enjoy access to a variety of messaging apps like WhatsApp®. It also features the unique capability to anticipate and provide personalized information. Meanwhile, you can start your engine remotely¹ with your smartwatch, or start your favorite podcast in your kitchen and finish it on your drive to work with Amazon Alexa® compatibility. And for added convenience, an available pinch- and zoom-enabled 12.3-inch touchscreen multimedia display is intuitively placed to provide easier access to Lexus Enform® apps, navigation and more.
COMMAND CENTER

Experience connected technology at your fingertips and the forefront of driver convenience.

APPLE CARPLAY®

With Apple CarPlay® integration, you can access the same familiar interface from your iPhone® through the vehicle’s multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri®, and get access to your favorite apps like Waze, Spotify®, and Apple Audiobooks™.

AMAZON ALEXA

Bring all the convenience of Amazon Alexa® on the road with the Lexus+Alexa® app. Using only your voice, you can easily access thousands of the same features and skills you get with Alexa at home. Listen to audiobooks, stream Amazon Music®, make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices such as lighting, thermostats, and security systems. Offering added in-vehicle convenience, Alexa can even sync to your Navigation System® or provide on-the-go directions via the integrated Waze app.

ANDROID AUTO

With Android Auto,™ you can now seamlessly cast your device’s interface onto the vehicle’s multimedia display. Play your music via your favorite apps such as Spotify®, and Pandora®, send messages through a range of commonly used apps like WhatsApp®, navigate with Google Maps™ or Waze, and request information—all with just the sound of your voice—through Google Assistant.™ For added convenience, Android Auto can also deliver tailored information based on your calendar, usage activity and habits.

POWER REAR DOOR WITH KICK SENSOR

The power rear door can be opened and closed using a button on the key fob, on the door lid or next to the steering wheel. For added convenience when your hands are full, the open/close function can now also be performed by kicking your foot under the rear bumper.™

PANORAMIC VIEW MONITOR

The RX offers passionate design with optimal visibility, as seen in the available Panoramic View Monitor™. Four high-resolution cameras mounted on the front, sides, and rear of the vehicle give drivers a bird’s-eye view of the near environment. Moving view and see-through view options create a composite image of the vehicle’s surroundings as on-screen guides assist with parking and tight maneuvering.

LEXUS ENFORM

Lexus Enform® elevates connected technology and provides concierge-level convenience. From emergency assistance and onboard Wi-Fi™ to the ability to start your engine remotely,™ using your smartphone, smartwatch, the Lexus skill on Amazon Alexa®, or the Lexus action on Google Assistant—enabled devices, or the Lexus action on Google Assistant-enabled® devices, our premium suite of connected technology offers peace of mind with every drive.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime®.™ Learn more about these services at lexus.com/specialists.
LANE DEPARTURE ALERT
WITH STEERING ASSIST
This system utilizes a camera to monitor visible lane markings. If an inadvertent lane departure is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take slight corrective measures to help keep you within your visibly marked lane.

ROAD SIGN ASSIST
This system uses a built-in camera to help provide road sign information in the instrument panel. In addition to displaying speed limit information, the system can alert you of certain detected signs you otherwise might have missed.

ALL-SPEED DYNAMIC RADAR CRUISE CONTROL
This system uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. Whether at highway speeds or in stop-and-go traffic, the system is designed to detect if you get closer than the preset distance and automatically slow your vehicle—even to a complete stop. If driving at highway speeds and the road ahead clears, your Lexus returns to its preset speed.

INTELLIGENT HIGH BEAMS
To help provide greater visibility for you as well as other drivers, Intelligent High Beams offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or tail lamps of vehicles ahead.

LEXUS SAFETY SYSTEM + 2.0

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION
By enhancing the radar and camera capabilities, it’s now possible for the system to help detect not only the vehicle ahead, but also a preceding bicyclist in daytime and even a preceding pedestrian in daytime and low-light conditions! Should it detect a potential frontal collision, it can help automatically brake the vehicle to a stop.

LANE TRACING ASSIST
When All-Speed Dynamic Radar Cruise Control is enabled, this hands-on system monitors visible lane markings or the path of the preceding vehicle to help the driver keep their vehicle centered in the lane by providing steering assistance. Designed for added convenience and to help reduce driver strain, the system can even be used in traffic and on highways with gradual curves.

PEACE OF MIND, STANDARD
Presenting Lexus Safety System + 2.0, an integrated suite of class-leading standard active safety equipment!
MARK LEVINSON® PREMIUM SURROUND SOUND AUDIO SYSTEM

The available Mark Levinson® Premium Surround Sound Audio System features patented, proprietary Clari-Fi® technology that restores audio quality from compressed music, resulting in crisp, clear, dynamic sound from any source. Combined with technology designed to create an expansive “sweet spot” of audio, it envelops every passenger in three-dimensional sound that rivals the finest home audio systems.

835 watts

R.X shown with Black semi-aniline leather and Gray Sapele wood with Aluminum interior trim
PERFORMANCE BEYOND EXPECTATIONS

From the fuel-efficient and high-performance hybrid to the available F SPORT, the RX turns heads and overturns convention.

Engineered to tap into the strength of an even more reinforced chassis, the optimized suspension delivers enhanced handling and a ride that’s smoother than ever before. When combined with an array of performance features, including a transmission so intelligent it can increase torque at lower speeds for improved acceleration, new Active Cornering Assist, lightning-fast paddle shifters on every model, and an available more advanced Adaptive Variable Suspension that can monitor and adjust the shock absorber settings depending on conditions, the result is a vehicle that does more than run the show. It stops it.
RX 350 AND RX 350L

Experience luxury that roars. A 3.5-liter V6 engine with direct and port fuel injection pairs exhilarating power with efficient fuel economy. Combined with a quick-shifting eight-speed transmission, and delivering 295 (RX 350) or 290 horsepower (RX 350L), both models offer dynamic performance at every curve.

For even greater control, an innovative dual Variable Valve Timing with intelligence (VVT-i) system offers precise engine performance as it reduces emissions and enhances fuel efficiency. VVT-i monitors the engine’s speed and load, increasing torque at lower speeds for improved acceleration and boosting performance at higher speeds by adjusting intake and exhaust valve timing.
TWO POWER SOURCES. 
UNEQUAL PERFORMANCE.

Our most powerful RX combines a potent 3.5-liter engine with dynamic electric motors.

Take everything you love about the RX. Then give it more performance. And more efficiency. That’s the philosophy behind the RX 450h and RX 450hL, which boast a potent 3.5-liter V6 engine—paired with powerful electric motors and an Electronically controlled Continuously Variable Transmission—for a combined 308 total system horsepower,1 30- and 29-MPG combined EPA estimates,2 instant torque delivery and AWD performance. All without requiring a charge. Both models also feature a Super Ultra-Low Emission Vehicle (SULEV) rating.

Craving more of an edge? The RX 450h F SPORT adds bold styling and offers an Adaptive Variable Suspension that will take performance even further.
RX F SPORT AWD shown in Matador Red Mica

ALL-WHEEL DRIVE

Stay in control with available Active Torque Control all-wheel drive. This intelligent system monitors road conditions in real time, automatically shifting engine power between front and rear axles, while 100% of the power goes to the front wheels during normal driving conditions for improved efficiency. And standard on the RX 450h and RX 450hL, electronic all-wheel drive features a rear electric motor that delivers instantaneous torque to the rear wheels when you need it, with no friction loss.
EXCLUSIVE PERFORMANCE DRIVE MODES

To help provide the highest level of responsiveness, the F SPORT offers exclusive drive modes. Sport S+ mode enhances steering and adjusts the Adaptive Variable Suspension, while Custom mode allows you to personalize everything from road feel to responsiveness. Further enhancing the excitement, an exclusive LFA-inspired gauge cluster provides real-time information such as G-force metrics, power distribution and more.

In addition to more aggressive styling inside and out, the RX F SPORT’s exclusive features deliver even more control and exhilarating intensity. It boasts the same available Adaptive Variable Suspension found in the high-performance Lexus LC that allows you to customize the shock absorber settings for improved ride comfort or reduced body lean as you enter and exit turns. The powerful V6 emits a throaty engine note when accelerating. And, putting thrilling performance right at your fingertips, paddle shifters offer lightning-fast upshifts and heart-racing split-second downshifts.

F SPORT PERFORMANCE

With an enhanced available sport-tuned suspension from the high-performance LC and exclusive drive modes, the RX F SPORT is engineered to spark attention and adrenaline.
The bold F SPORT perspective is obvious throughout the driver-centric interior. In addition to exclusive race-inspired instrumentation and bold aluminum accents, you’ll find performance upgrades, including bolstered sport seats, a black headliner, a perforated leather-trimmed sport steering wheel and shift knob, plus aluminum pedals and more.

**F SPORT BOLSTERED SEATS**
Signature race-inspired F SPORT bolstered seats provide the ideal posture, control and visibility for enhanced driving performance. Featuring a unique foam-injected construction and designed to contour to the needs of the driver, their low position helps place the driver’s hip point as close as possible to the car’s center of gravity, for a more dynamic driving experience.

**20-INCH DARK GRAPHITE ALLOY WHEELS**
Punctuating the attitude of the aggressive exterior, exclusive F SPORT 20-inch Dark Graphite alloy wheels enhance the vehicle’s low, powerful stance.

RX F SPORT shown with Circuit Red NuLuxe® and Scored Aluminum interior trim.
Standard features on every RX:

- SmartAccess with push-button Start/Stop
- Drive Mode Select
- Lexus Multimedia System with touchscreen display
- Lexus Enform Safety Connect included for the first three years of ownership.
- Lexus Enform Service Connect included for the first 10 years of ownership.
- Lexus Enform Remote with Amazon Alexa and Google Assistant compatibility. Included for the first three years of ownership.
- Remote Touchpad
- Amazon Alexa compatibility
- Android Auto® and Apple CarPlay® integration
- Lexus mobile app services (Lexus Enform Remote, Lexus Drivers and more)
- Voice Command
- Bluetooth® and USB® smartphone connectivity
- Six USB® ports
- Nine-speaker Premium Sound System
- Dual-zone automatic climate control with interior air filter

- A
  - Leather-trimmed steering wheel with paddle shifters and shift knob
  - Nuluxe® interior trim
  - Power tilt-and-telescopic steering column
  - Power-adjustable front seats
- B
  - 40/20/40-split folding, reclining second-row seat
  - Auto-dimming inside mirror and power-adjustable, heated outside mirrors
  - Rain-sensing windshield wipers
  - Power rear door
  - Lexus Safety System+ (Pre-Collision System, Lane Departure Alert, with steering Assist, Road Sign Assist, All-Speed Dynamic Radar Cruise Control, and Intelligent High Beams)
  - Backup camera
  - 10 airbags
- Complimentary scheduled maintenance services (please refer to the Warranty and Services Guide for details)

**RX STYLES**

**RX 350**
- Includes RX 350 features, plus:
  - Concealed exhaust
  - EV4® drive mode
  - Vehicle Dynamics Integrated Management

**RX 450h**
- Includes RX 350 features, plus:
  - Concealed exhaust
  - EV4® drive mode
  - Vehicle Dynamics Integrated Management

**RX 350 F SPORT**
- Includes RX 350 features and Premium Package, and adds or replaces:
  - Front and rear performance dampers
  - Vehicle Dynamics Integrated Management
  - F SPORT front seats with enhanced bolsters
  - F SPORT perforated leather-trimmed steering wheel and shift knob
  - Performance-inspired instrumentation
  - Scored Aluminum interior trim
  - Aluminum pedals and door-sill scuff plates
  - Black headliner
  - LED ambient interior illumination
  - F SPORT front fascia and mesh grille insert
  - F SPORT front-fender and rear-door badges
  - F SPORT rear valance
  - Black outside mirrors
  - F SPORT 20-in split-10-spoke alloy wheels with Dark Graphite finish

**RX 350L**
- Includes RX 350 features, plus:
  - Power-folding and -reclining 50/50-split third-row seat
  - Second-row armrest storage compartment with two USB ports
  - Three-zone climate control
  - Power-folding, auto-dimming outside mirrors
  - Aluminum roof rails

**RX 450hL**
- Includes RX 350L features, plus:
  - Concealed exhaust
  - EV4® drive mode

**RX 350 F SPORT**
- Includes RX 350 F SPORT features, plus:
  - Concealed exhaust
  - EV4® drive mode

**RX 450h L**
- Includes RX 350L features, plus:
  - Concealed exhaust
  - EV4® drive mode
  - Lexus Memory System for steering wheel
  - Second-row captain’s chairs
**PACKAGES**

**PREMIUM PACKAGE (RX)**
Matte Walnut or Matte Bamboo wood interior trim
Lexus Memory System for steering wheel, driver’s seat, outside mirrors and steering wheel
Power-folding, auto-dimming outside mirrors

**PREMIUM PACKAGE (RXL)**
Open-Pore Brown Walnut or Matte Bamboo wood interior trim
Power moonroof

**LUXURY PACKAGE (RX, RXL)**
Includes Premium Package, plus:
Heated wood- and leather-trimmed steering wheel
Semi-aniline leather interior trim
Climate control with smog-sensing automatic recirculation mode

**PERFORMANCE PACKAGE (RX F SPORT, RXh F SPORT)**
F SPORT–tuned Adaptive Variable Suspension
F SPORT–tuned Electronic Power Steering
Drive Mode Select adds Sport S+ mode
Sound generator (RX 350)
Heated steering wheel

**NAVIGATION PACKAGE**
B Navigation System, Lexus Enform Dynamic Navigation included for up to the first three years of ownership.
12.3-in touchscreen display
GPS–adjusted analog clock
Dynamic Voice Command
Lexus Enform Destination Assist included for the first three years of ownership.
12-speaker Premium Sound System including subwoofer

**NAVIGATION / MARK LEVINSON PACKAGE**
Includes Navigation Package, plus:
Mark Levinson® 15-speaker, 835-watt Premium Surround Sound Audio System

**COLD WEATHER PACKAGE**
Windshield wiper de-icer
Auto-leveling headlamps
Headlamp washers
Fast-response interior heater

**TOWING PREP PACKAGE (RX, RXh, RXL)**
Heavy-duty radiator
Engine and transmission-oil coolers
