

Lexus Personalized Settings

Your vehicle includes a variety of electronic features that can be programmed to your preferences. The programming of these features is performed once at no charge by your Lexus Dealer provided you obtain the service at the 6-month/5,000-mile scheduled maintenance service.

It is also possible to customize certain vehicle features yourself using the vehicle's display screen.

SERVICE

BY LEXUS

2019 UX 250h

Vehicle must be in "On" mode to program personalized settings.

STEP 1 Press the **MENU** button.
