**Lexus Personalized Settings**

Your vehicle includes a variety of electronic features that can be programmed to your preferences. The programming of these features is performed once at no charge by your Lexus Dealer provided you obtain the service at the 6-month/5,000-mile scheduled maintenance service.

It is also possible to customize certain vehicle features yourself using the navigation system screen.

**Vehicles with Navigation System:**

1. **Automatic Door Lock**
   The automatic door locks can be programmed as follows:
   - The doors automatically lock when the vehicle speed is 12 mph or higher = By speed
   - The doors automatically lock when the vehicle is taken out of Park and shifted into another range (Standard) = By shift from P
   - The doors will not automatically lock = Off

2. **Automatic Door Unlock**
   The automatic door locks can be programmed as follows:
   - The doors automatically unlock when the vehicle is shifted into Park (Standard) = By shift to P
   - All the doors automatically unlock when the driver door is opened = By driver door
   - The doors will not automatically unlock = Off

3. **Remote 2-Push Unlock**
   When using the electronic key to unlock the doors:
   - Pressing the unlock button one time unlocks the driver’s door and two times unlocks all doors (Standard) = On
   - Pressing the unlock button one time unlocks all doors = Off

**Settings that can be customized by:**

<table>
