

# Lexus Personalized Settings

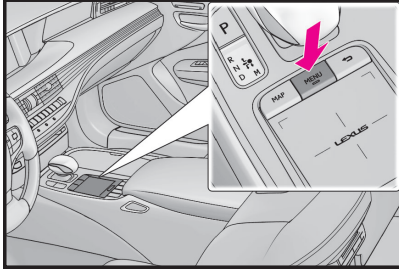

# LS 500

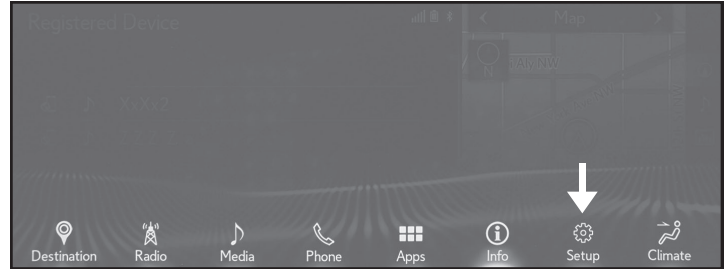

Your vehicle includes a variety of electronic features that can be programmed to your preferences. The programming of these features is performed once at no charge by your Lexus Dealer provided you obtain the service at the 6-month/5,000-mile scheduled maintenance service.

It is also possible to customize certain vehicle features yourself using the navigation system screen.

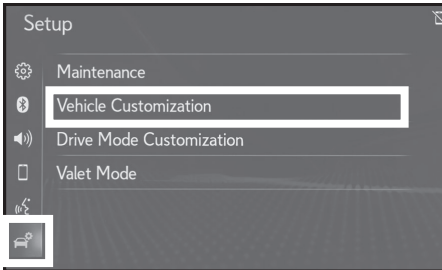

## Vehicles with Navigation System:

**STEP 1** Press the **MENU** button.

**STEP 2** Highlight "Setup" with the touchpad. Press down to select.

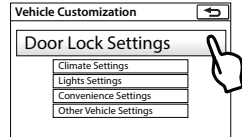

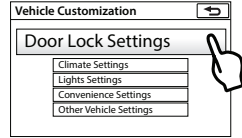

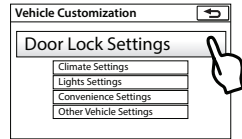

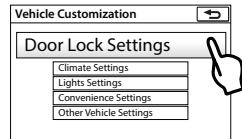

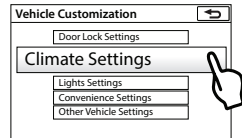

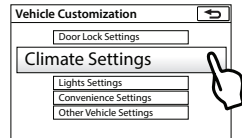

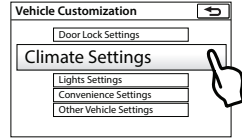

**STEP 3** Select Vehicle on the sub menu.

**STEP 4** Scroll to "Vehicle Customization" and press touchpad to select. Then select desired categories for customization.

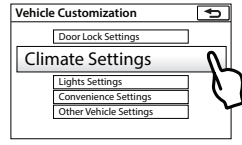

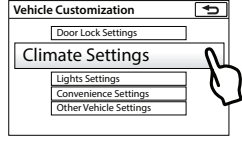

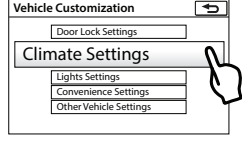

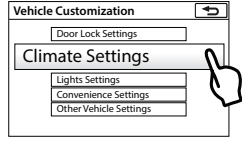

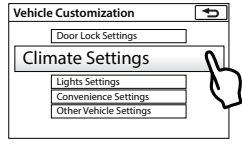

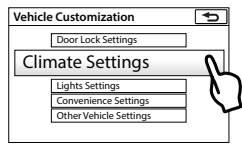

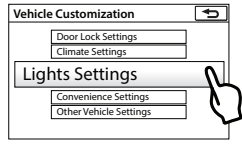

Vehicle must be in "On" mode to program personalized settings.

Please refer to the 2018 LS 500 Quick Guide or Navigation Owner's Manual for more information on Remote Touch operations.
